Sirs:

By direction of the Royal Commission on Indian Affairs for the Province of British Columbia I have to advise you that upon the expiry of the present year's leasehold, on the 1st July next, the Commission will only be in a position to continue in occupancy of its present office premises as monthly tenants, the action required for the completion of its work being unduly late, and to request that you advise the Commission of your concurrence, in behalf of the Landlords, in such arrangement.

I have the honour to be,

Sirs,

Your obedient servant,

J. G. H. BELLEFON.

Per. Secretary.
