

reads: "and also to say that I have given confirmatory evidence more than once, to Dr. King for his book." Etc.

No. 22 on the slate, which is No. 3 on the invitation list comes on the second slate at this the third sitting, being a greeting from the most ancient of all my guides Asia (so named by me) of prehistoric times; whose previous writings in English language through "The Human-Psychic-Telephone," can be found in Chapter XXXI; and on a flyleaf at the front of the book. The slate writing is a greeting in his native writing but now extinct. He will himself give an English translation of it, for he can speak and write in that language, but wished to gratify my desire for a specimen of his native language and writing. He was a priest of high order of a church and religion that nowhere has longer existence. From what he has told me, he must have been a great seer in his time. When he is fully materialized he stands about 9 feet 6 inches tall. New revelations are promised from him in the near future.

No. 23 on the slate is the third one written by my pen friend in life, and present aider Wm. T. Stead. He wrote for me at each sitting, making the record effort. I will a little further on, again refer to the writing and to him.

On the third slate of the third series is the second writing by Hypatia, this time in Greek. Here Prof. S. of Toronto will find Hypatia's response to my request, where I, on the first page of the request, referred to a desire expressed by the Professor on one occasion. I also secured from her a day later, her own English translation of it. Greek professors will here find a good test. The original over her own signature in photograving is reproduced here along with others. (Her translation is retained by me. Prof. S. or any professor of Greek as of Hypatia's time can readily translate it, and thus establish the fact of her being the personality of that period).

The next writer is Cleopatra, another guide. She makes a clear and definite statement on 27th August, 1917. Keep the statement in mind.

My son by my first wife follows Cleopatra.
