## BELOW WE GIVE FULL REPORT AS TAKEN FROM CONTEST BOOKS OF THE PRIZE CROPS.

*I, Fred Metcalf, of Hamilton Township, do solemnly declare that I did on the 24th day of June, 1892, measure one acre of ground on the farm of Mr. D. Quantrill on Lot No. 17, Con. 1, Township of Hamilton, County Northumberland, Province Ontario, a contestant for Freeman's Potato Prize, which measured 165 feet by 264 feet, making a total of 43 560 square feet or one acre.*

*And I make this solemn declaration conscientiously believing the same to be true, and by virtue of the Act passed in the thirty-seventh year of Her Majesty's reign, intituled "An Act for the suppression of voluntary and extra-judicial oaths."*

*Signed, Fred Metcalf.*

*Declared before me at Cobourg, in the County of Northumberland, this 24th day of October, A. D., 1892.*

*Signed, H. J. Inelgrove, J.P.*

KIND SOIL, clay loam with gravelly clay subsoil.

HOW CROPPED past 3 years, Corn in 1889, Oats in 1890, and Seeded Down; Hay in 1891.

HOW MANURED past 3 years, barnyard manure at the rate of about 20 tons per acre in 1889 for Corn.

HOW PREPARED for Contest crop—Sod, plowed fall of 1891, again plowed 8 inches deep 12th day of May, 1892. Harrowed 4 times May 13th with common harrow, and pulverised. Furrows marked 30 x 15 inches apart, 4 inches deep.

FERTILIZER USED, 1200 lbs. Freeman's Potato Manure. How applied, 600 lbs. broadcast and harrowed 600 lbs. in the drill and mixed thoroughly.
