Accept this ring as a token of our appreciation of your services. We will pray that the Master will be with you in your new home and bless you and make you a blessing to others. Signed on behalf of the Bloomfield school: Sarah Dolsen, superintendent; Annie Russell, B. C. teacher; Maggie Lee, secretary.

Dear Pastor.—We, the members of the congregation of Botany, on learning with deepest regret that you are about to leave us, express our appreciation of the services you have rendered the community while you have labored in this field. During your three years ministry here you have labored diligently and well, and the congregation has prospered under your guidance as it probably never did before. We feel that you are leaving a vacancy which we will find very difficult to acceptably fill, and that you will find another field of usefulness where your services will be as much appreciated. That the blessing of the Lord be upon you and your wife and child, and that Heaven's richest blessing may follow you to your new home are the earnest prayers of your many friends in Botany.

Signed for the congregation.

Mr. Robertson feelingly replied, thanking them for their kind regards and purse of money, also for the many kindnesses he had often received at their hands. His earnest prayer was for them that soon they would have a settled pastor over them in the Lord.

VARICOCELE NERVOUS DEBILITY CURED.

If you have transgressed against the laws of nature, you must suffer. Self abuse, later excesses and private diseases have wrecked thousands of men and been cured. AVOID QUACKS. E. A. Sidney, of Toledo, says: "At the age of 14, I learned a bad habit and at 19 contracted a serious disease. I had given up hope when a friend advised me to consult Dr. K. & E., who had cured him. Without any confidence I called on them and Dr. Kennedy agreed to cure me or no pay. After taking the New Method Treatment for six weeks I felt like a new man. The drains ceased, urinary veins disappeared, nerves grew stronger, hair stopped falling out, urine became clear and my sexual organs vitalized.
