A STRENGTH BUILDER.

In the whole range of medicines there is probably no remedy more valuable than the Emulsion of Cod Liver Oil with Hypophosphite. It is a tissue builder and constructive tonic, with a specific action on the lungs and air passages.

The Hypophosphites supply elements needed by the brain and nerves and help to vitalize the whole system. It is without a peer for stubborn throat and lung troubles.

Our special Emulsion is vast desirable because always fresh, always palatable, always effective.

A FREE TRIP
About one hundred of the senior pupils of the Central school will enjoy a free excursion to Wallaceburg on Friday next to visit the glass works and beet sugar factory. Through the courtesy of D. A. Gordon, King of the Burg, the two immense enterprises will be opened to the inspection of the youthful Chathamites.

J. W. Plevies has arranged for special cars for the pupils and teachers on the morning train. They will return at seven o'clock in the evening. The study of manufactures is the very latest idea in educational development. The Central school pupils visited most of the Maple City factories last spring.

Mr. Plevies is to be commended upon the splendid idea of giving his pupils these practical lessons. It is one more instance of where he shows his progressiveness as head of the Central school.

and it behooves every person who has the welfare of our town at heart to attend this meeting, so that the council may arrive at the opinion of the majority of the ratepayers and take intelligent action at once. A great deal of valuable time is being wasted in unnecessary talk over this business, what is wanted by the people is action, and prompt action at that; otherwise we stand in great danger of losing this magnificent and important plant, which Captain Davidson has invested so much of his capital in establishing here.

The date of the Farmers' Excursion from Chatham to the Dresden and Wallaceburg sugar factories is Thursday, Nov. 26th, and not Wednesday, Nov. 25th, as announced yesterday.

PRAISED OUR SCHOOL

W. E. Tilley, Provincial Inspector of Model Schools, made an inspection of our County and City Model school to-day. In the morning he observed the students teaching and afterwards gave them the results of his observation. He also expressed himself as being much pleased with the work of Principal Plevies and with the attitude and progress of the students. Mr. Tilley was accompanied by Inspector Colles who, by request, took charge of the class after the teaching, giving them much valuable advice upon methods in teaching.

Mr. Tilley's work in the Model schools and at Teachers' Institutes is highly appreciated by all who hear him.

A NEW DEPARTURE.

Messrs. Westman Bros. are installing in Mr. J. G. Kerr's new residence a hot water furnace, specially designed for the use of Gas Coke as fuel.

This furnace is guaranteed to require no more attention using Coke than a furnace of similar capacity using best quality of hard coal, and about the third cost of fuel will be saved.

The installation illustrates the growing popularity of Gas Coke. Many citizens are now using this fuel in furnaces, base burners, grates, ranges, etc., with the greatest satisfaction and economy.

The Gas Company delivers Gas Coke in any quantity, promptly. Try it!

All reading notices of local announcements must be received at this office not later than noon of the day on which it is desired that they appear in The Planet.
