EDUCATIONAL.

QUEEN'S UNIVERSITY AND COLLEGE.—Incorporated by Royal Charter. Queen's College at Kingston was incorporated with the style and privileges of a University by a Royal Charter dated 16th October, 1841. It began with only the Faculties of Arts and Theology, but to these a Faculty of Medicine was added in 1854, and a Faculty of Law in 1860; a special course of Civil Engineering is now included with the Faculty of Arts. A complete curriculum of study in the four Faculties respectively leads to the Degrees in Arts of B.A. and M.A., in Theology of B.D., in Medicine of M.D., in Law of LL.B.; and these Degrees are conferred only on those who have gone through the required curriculum and passed the prescribed examinations. The senate, however, is empowered to confer, besides the above, the Honorary Degrees of D.D. and LL.D. for Literary, Scientific, or Professional distinction.
