

Thoughtful Gifts

Religious
Jewellery, Necklets, etc.

ONE of the most thoughtful gifts between intimate friends is a piece of Religious Jewellery. The selection we have assembled on this page affords ample opportunity for a truly personal remembrance at a moderate expenditure.

The thimbles, hat pins and lingerie clasps, also illustrated, are useful and practical, being both just sufficiently out-of-the-ordinary to make them exceptional gifts. Illustrations actual size and in 14-kt. gold, unless otherwise mentioned.
