WINONA NURSERY CO., Winona, Ontario

Why

-In these times of keen competition, is there such a great demand for this All Steel Flexible Harrow?

We can guarantee more than double the strength and wear in this Harrow than there is in any other make.

Parties wishing a first-class Harrow will do well to write us direct or apply to the local agent.

OUR MOTTO: "Not how Cheap but how Good."

TOLTON BROS., GUELPH, Ont.

BECAUSE The Flexibility of the Harrow enables it to adapt itself as readily to rough and uneven ground as to smooth and the oscillating motion produced by its flexibility pulverizes the ground, and leaves it in a loose and more porous condition than any other Harrow, and it is made of the very best material money can buy for the purpose. The bars are made of **Hard Spring Steel**, very stiff and strong, all of the hinges and teeth being of solid steel, all of which are of a higher grade than is possible to use in any other make of Harrows.
