

THROW AWAY ALL YOUR FEARS

Backache, Gravel and Rheumatism Vanish Before Dodd's Kidney Pills.

Proved Once Again in the Case of Mrs. Fred Krieger, Who Suffered From the Worst Forms of Kidney Disease.

Palmer Rapids, Ont., Nov. 2.—(Special).—The thousands of Canadians who live in daily terror of those terrible forms of Kidney Disease known as Backache, Gravel and Rheumatism, will be deeply interested in the story of Mrs. Fred Krieger, of this place.

"I was for years a great sufferer from Kidney Disease, Gravel, Rheumatism and Backache," Mrs. Krieger states. "It all started through a cold, but I got so my head ached, I was nervous, my limbs were heavy, I had a dragging sensation across my loins, and I was totally unfit to do anything.

"Reading about wonderful cures by Dodd's Kidney Pills led me to buy some. After using a few I found they were doing me good and this encouraged me to continue their use. Eight boxes made me well.

"I have been able to do my own work ever since, and to-day I am completely cured. Dodd's Kidney Pills gave me health and I feel like a new woman."

If you keep your Kidneys strong and healthy you can never have Backache, Rheumatism or Gravel. Dodd's Kidney Pills never fail to make the Kidneys strong and well.

A ganger on one of our large lines of railway has a keen Gaelic wit. One warm afternoon, while walking along the line, he found one of his men placidly sleeping on the embankment. The "boss" looked disgustedly at the delinquent for a full minute and then remarked: "Slape on, ye lazy spalpeen, slape on, fur as long as you slape you've got a job, but when you wake up you ain't got none."

strongly to the average Old-countrymen—as a mixed farmer in the beautiful park lands. The man who wants the advantages of closer settlement and an older civilization can buy an improved farm in Eastern Canada. There the prices differ greatly; but, owing to a variety of causes which do not condemn the land itself, and chiefly owing to the fascination exercised on the young Easterner by the new West, an Eastern farm, with buildings, can often be picked up for £200 or £300. The Commissioners, however, emphatically agree with the advice given by all who have investigated this subject, that an intending purchaser should spend some time in the country before carrying out his intention.

PRIVATE COTTAGES FOR LABORERS.

"The position of a good Scottish farm laborer, earning about £40 a year, with meal and milk and other privileges, including perhaps that of free lodging in a bothy, is not contemptible, and there are men of that class who contrive to save the greater part of their wages; but their future is not brilliant, and they will doubtless continue to emigrate in large numbers to Canada, where they can go on saving money and presently start as small farmers on their own account. There is, however, a feeling that Canadian farmers in general will need, if they are to lessen the difficulty of obtaining an efficient and sufficient labor supply, to follow the example of the minority of their colleagues who give twelve months (instead of seasonal) agreements and provide cottages for married employees."

GOSSIP.

Messrs. J. & D. J. Campbell, Woodville, Ont., are, in their new advertisement on another page in this issue, offering choice Shropshire ewes from their noted Fairview flock, of the very best of breeding, and now bred to their famous grand champion rams at the St. Louis World's Fair and the Chicago International. There never was a better opportunity given their customers to add new blood or to found a flock than that they now offer. This is a favorable time to buy, as prices are such as to be in reach of any desiring to have an extra choice flock of Shropshires. The 27 years of breeding at Fairview, and the great success of the flock for 25 years, is positive proof of their certain value as an investment. For years the Campbells have not heard of or from a dissatisfied customer. They always deal fair, and share a beginner's loss should such a misfortune occur.

TRADE TOPIC.

All about the hunters' supplies made by The Marlin Firearms Co., 113 Willow street, New Haven, Conn., is found in a catalogue recently issued. Part I. gives ready reference for dealers and consumers. Part II. deals more fully with arms and ammunition, with instructions for the novice. Part III. contains hints that are of general interest to shooters. Those interested can have this catalogue by writing the firm. Points not covered within its pages are attended to promptly by correspondence.

AFRAID OF EGGS.

A theatrical company that plays in repertoire in country villages, barred a citizen of a certain small town, not long ago, when he started to enter with a basket, after having purchased a ticket. One evening, a solid-looking citizen, carrying a basket, bought a ticket and started to enter the opera house. Just as he was going in the cover of the basket unaccountably slipped off, revealing two dozen eggs.

"Hey!" said the ticket-taker, "this isn't Easter. Where you going with the eggs?"

"None o' y'r business! Here's my ticket, all paid for an' reg'lar," declared the citizen.

"Well, there don't any eggs go inside while I'm here," said the ticket-taker; and then the other was suspected, and roared with laughter.

He left the eggs in charge of the man in the ticket office and entered; and he enjoyed every minute of the show. When it was over, the manager returned the eggs to him and said:

"I was afraid you might put your foot in the basket while applauding."
