And 500 Valuable Premiums Given Away

Below will be found three sets of mixed or jumbled letters.
The first set when placed in proper order spells the name of a large animal.
The second set spells the name of a staple article of food.
The third set spells the name of a large city.
Here are all the sets:

RSEOH [the name of a large animal]
RAEBD [the name of a staple article of food]
LEAMOTNR [the name of a large city]

Can you place the above sets of letters in proper order, so as to spell the words wanted? It is not easy, but with patience and perseverance it can be done. It may take a small amount of your time, but as there are cash prizes and valuable premiums given away as an advertisement, it is well worth your time to make an effort.

It is just possible that you may have entered contests before and have not been successful, but please remember that in this instance you are dealing with a reliable firm and that there are over five hundred prizes to be distributed.

Write your answer to the above neatly and plainly on a slip of paper, and send it to us at once. Both writing and neatness count in this contest. If you do not happen to be a good writer, have some neat writer enter the contest for you, in his or her name, and if you are awarded a prize, agree with the person who does the writing that the prize belongs to you. All this may take up a little time and be a little trouble, but the prizes are handsome and valuable, and worth many times the amount of time that anyone will give to the above.

Should you read this advertisement and yet not desire to enter the contest yourself, please point out the advertisement to some relation or friend who might be interested. This is an opportunity of a lifetime, and should not be missed. This contest is not open to children under 14 years of age. We propose to hold a contest for young people very shortly, but will not accept entries from children in this one. The judging of the above will be in the hands of three gentlemen of undoubted integrity, who have no connection whatever with this office. No employee of ours nor any of their relations will be allowed to compete. We do not ask anyone to send ANY OF THEIR MONEY in order to enter this contest.

There is a simple condition that must be complied with, about which we will write you as soon as we receive your answer to the above.

This contest is open to persons of either sex over 14 years of age. No entries will be received from children.

When replying to this advertisement, be sure to write your name and address very plainly in the space below. Cut out the advt., and send it to us, together with the slip of paper on which you have written your solution to the puzzle, and we will write you at once in regard to the simple condition mentioned above.

GOSSIP.

The official report of the dressed weight of Fyvie Knight, the grand champion steer at the late International Exhibition at Chicago, gives the dressing percentage as 69.25. The dressing figures of this steer as previously published was 68.56. In arriving at this percentage the weight of the animal when he went over the scales on the day of the auction was counted. This was not doing justice to him, as he was kept down town for about two weeks, and, besides, feed was taken away twelve hours previous to slaughter. He was weighed immediately before slaughter, and tipped the beams at 1,575 lbs., which should be the live weight taken in arriving at the dressing percentage of this steer. The official figures as given by Armour & Co., who slaughtered the animal, follow:

	Pounds.
Official weight in the show	1,610
Live weight at time of auction sale	1,590
Live weight at time of slaughter	1,575
Warm weight	1,112
Cold weight	1,090
Hide	98
Fat	124
Dressing percentage, 69.25.	

AYRSHIRES AND YORKSHIRES AT AUCTION.

The combination sale of Ayrshires and Yorkshires from the well-known herds of W. F. MacLean, M.P., of Donlands; A. A. Morden & Son, Wellington; R. E. Gunn, Dunrobin Farm, Beaverton, and F. M. Chapman, Pickering, to be held at the Union Stock-yards, West Toronto, on February 5th, as advertised, presents opportunities for the procuring of high-class dairy cattle and swine but seldom offered to Ontario breeders and farmers. Among the Ayrshires offered are three young cows, freshly calved, from the herds of Hon. W. Owens, Montebello, Que., and James Benning, Williamstown, sired by the well-known bull, Shamrock of Ste. Annes 11735, by Napoleon of Auchrain (imp.), and Carrick Lad of Ste. Annes, by Napoleon of Auchrain, and out of dams sired by Chieftain of Ste. Annes and Saladin, all well-known bulls of highest merit. There are six young bulls from two to fourteen months old, sired by Hillhouse Fizz of Ste. Annes, one of the finest sons of the great champion Howie's Fizzaway (imp.), and out of the above-mentioned cows, and others sired by Cross of Knockdon (imp.). Two fine yearling heifers are also in the offering, which give promise of great capacity; these are of the same high-class breeding as the bulls. The Yorkshires consist of four fine brood sows, in pig to Summerhill Percy, imported in dam, a boar of high quality, bred by Sir Gilbert Grenall, Warrington, England, and imported by D. C. Platt, Millgrove; also six extra choice seven-months-old boars, sired by Imp. Percy, and out of an extra good sow. The remainder are boars and sows from three to six months old, some of the sows being bred, and all of highest quality. The boars contributed by Mr. Gunn, of Beaverton, are by one of the best boars ever bred by Mr. D. C. Platt, and as they are the pick of Mr. Gunn's herd, they will be of a quality in keeping with the high-class nature of the stock on Dunrobin Farm.

The herd of registered Ayrshires, the property of Messrs. A. A. Morden & Son, Wellington, Ont., to be dispersed also at West Toronto on February 5th, was founded in 1902, and since that time the undesirable animals have been culled out and only high-class sires used, the ambition of the owner having always been to have animals of the heaviest milking strains, with well-shaped udders, big teats, and strong constitutions. This herd as well combines various extractions from the herds of well-known breeders of high-class Ayrshires, viz.: F. E. McDonald, Bloomfield; A. Terril, Wooler; Wm. Stewart & Son, Menie, and Alex. Hume, of Menie. This herd consists of eleven cows, all in calf to our grand stock bull, Prince Rob; two yearling heifers, in calf; one yearling bull, three heifer calves, one bull calf, and the stock bull, making nineteen head of pure-bred Ayrshires, together with a few choice springers and freshers. The Ayrshire herdbooks, from Volume 3 to 16, inclusive, will be given to the buyer who purchases the greatest amount in dollars, he not at present being a member of the Ayrshire Breeders' Association.
