

Syllabic SHORTHAND.

President Roosevelt's private secretary, "Wm. Loeb, Jr.," started life as a stenographer; so have many other eminent men. The chances are just as good for you. If you are bound for the top, learn Syllabic, and march in the van of "The Newer Education." Success is bound to attend you. This method is based on the Syllabic. Simplest and Best. Only \$15 for complete mail course, covering a period of three months' tuition. We want young men in all parts of the country to take orders for Syllabic. There's money in it.

Better Get Best Shingles and Know They Will Last.

EASTLAKE

Shingles

Are long since proved the best for all farm buildings.

They are lightning proof, prevent fire, never rust, and can't leak because of their patent side lock.

Either galvanized or painted, and any handy man can quickly put them on.

For One Hundred Dollars we will furnish a Twelve Foot

Chicago Aermotor

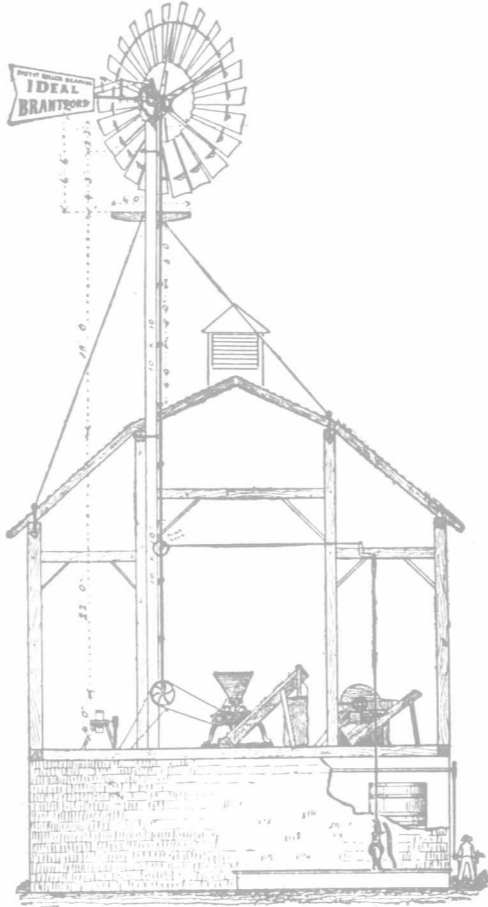

and the necessary vertical shafting. For Twenty-five Dollars we will supply an Aermotor Grinder, which, in a fair wind, will grind from twelve to fifteen bushels an hour. The first cost is small; the running expense nothing. Its efficiency is marvellous. Aermotor Saws, Foot Gears, Pump Gears, Pump Jacks, Pumps and Tanks of all kinds are a few of our Aermotor lines. Our range of Pumps embraces One Hundred and Fifty styles, operated by either hand or windmill power, and are made by the makers of Aermotors. More than half the world's buyers use Aermotors now, both for pumping and power, and the other half would too if they knew them. Ask for our Windmill Book.

GREATER DURABILITY IS ANOTHER ADVANTAGE OF THE U.S.

What better evidence does one need than the following letter:

COLFAX, WASH., 20th, 14, 1902.

In the last four years there have been sold through the U.S. Cream Separators sold in my territory, and all the extras that have been furnished by you, as follows:

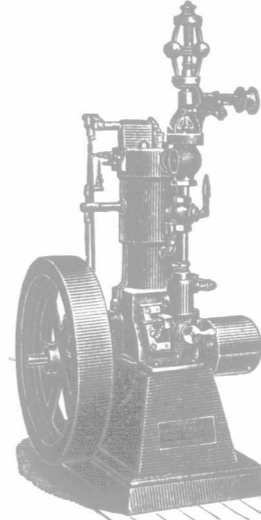

One crank with handle, set pump, shaft, and cover, and one set of parts, and I wish to say that I have never had the parts who had been furnished by you, and I am sure that you are the best.

JERSEY CREAMERY, COLFAX, WASH.

To Recognize Purity.

Adulteration has grown to such a fine art, that it is almost impossible for a woman now-a-days to detect the false from the true; but a chemical analysis will always detect adulteration. Prof. W. Hodgson was called Analyst to the Dominion Government after a number of analyses of "Sunlight" and "Well-made Soap." He found "Sunlight" Soap—Octagon Bar—adulterated, and you will see that "Sunlight" Soap is not pure. No one should use adulterated soap.
