The fourth annual banquet of the employees of the Watrous Engine Works Company, held at Victoria Hall, Brantford, Ont., was another evidence of the cordial relationship existing between this firm and its men. The chair was occupied by Mr. T. H. Preston, M.P.P. The proceedings partook of the nature of a programme of vocal and instrumental selections and readings, interspersed by three addresses from Mr. Preston, Mr. C. H. Watrous and Mr. W. G. Raymond. An interesting announcement was made by Mr. Watrous, the president of the firm, in the course of his address. It was in effect that the firm would make every effort to furnish all of its men with steady employment without any reduction in wages, even though it had to make concessions, within reasonable bounds, in securing contracts in order to provide work.
