To the Electors of the County of Hants.

GENTLEMEN.—

DELEGATES from all the Polling Districts of this County, have met to-day and decided unanimously, that I should be one of the Candidates to represent Hants in the Local Legis lature of this Province. They intend that their new Store will become a with particular regard to the requirements of a PIRST CLASS RETAIL DRUG STORE, their very best FIRST CLASS RETAIL DRUG STORS, their very best attention shall be devoted to making it so.

The dispensing of Prescriptions—the most important of all the duties of the D-uggist—they never particularly desired in the old shop at the corner, because they knew that, for its proper management, a particular part of the shop should be devoted to it exclasively, where everything necessary for all ordinary prescriptions should be kept, that the attention of the dispenser during the preparations of prescriptions should not be called off to serve oustomers, &c., and thus the most fruitful cause of mistakes prevented. Now, having plenty of room, we have adopted this plan, and can guarantee accuracy. For the greater accommodation of their customers, the Store will be open at all hours on Sundays, and at night a competent assistant will sleep on the premises so that the
