THE RAILWAYS AND MUSIC.

Railways develop the resources of a country and educate the people, so if we would keep pace with the age; we must have Railways. The very conservative claim that the debt committed to our posterity will be too great. Give us Railways and let posterity look out for themselves. But you say what has this to do with Music. Why Music develops the intellect, refines and elevates society, and binds closer the family ties, and is indispensable.

LIBERAL OR CONSERVATIVE. We find one has the GRIT to seize a good bargain, and the other is No Toryous for the same thing. Whether it be a Railway or a Piano. Therefore all classes come to us for bargains in Pianos and Organs where they are assured of the maximum in quality and the minimum in price.
