THE - CAMBRIDGE - BIBLE

FOR SCHOOLS AND COLLEGES.

General Editor: J. J. S. PEROWNE, Bishop of Worcester. Cloth, 8vo. volumes.

A concise and scholarly Commentary issued in convenient pocket size. Each book of the Bible as taken up in course of issue is treated in a separate volume. Thirty-two volumes are now issued. A brief but complete introduction, a copious index, and excellent maps give additional value to this excellent and admirable work.

CANADIAN PRESS OPINIONS:

"The notes are brief and always to the point. The introduction is very satisfactory, and shows a course of exact reading. The maps are really illustrative of both text and comments."—*Canadian Churchman*.

"The introduction is clear and concise, and yet remarkably full, and put in a most interesting way. It is one of the notable points of this series of commentaries that while they are adapted for the young, yet, their size being considered, they are in many cases equal to the most scholarly commentaries of our day."—*Evangelical Churchman*.

"An excellent and scholarly series. No room is left to doubt that the notes and dissertations are the products of the ripest Biblical scholarship."—*Canada Baptist*.
