

Address to Her Majesty on the Subject of the Civil List.

Your Majesty's dutiful and loyal Canadian Subjects, a constitutional and permanent provision for the Salaries to the Judges in this Province, and for suitable retiring Pensions to such of them as from age, infirmity, or accident, shall become incapacitated for duty, and generally for such other permanent Salaries and charges, as are indispensable to the due administration of Justice therein, as well as a provision, during Your Majesty's Reign, (which God prolong), for a Civil List, agreeably with the usages of the Imperial Parliament in the like case, it being provided in the enactments to be passed on the subject, that the same shall only go into effect when the aforesaid appropriation of Seventy-five thousand pounds Sterling, annually, by the Union Act, shall have been repealed, by the said Imperial Parliament, and the public moneys levied upon Your Majesty's Subjects in this Province have been replaced at the free disposal of their Representatives.

That the office of Chief or Civil Secretary, to which is annexed a salary (One thousand six hundred and twenty pounds Sterling), exceeding considerably any of those appertaining to the highest and most important offices in the Province, including those of the Chief Justices in *Lower Canada*, the Chief Justice of *Upper Canada*, and the Vice Chancellor thereof, respectively, and next to Your Majesty's Representative in this Province, the Governor General thereof, is an unnecessary and burdensome charge on the Civil List of the Province, and ought, in the opinion of Your Majesty's faithful Commons, to be forthwith abolished, and the duties thereof transferred to the Provincial Secretary, responsible to Your Majesty's faithful Commons, as a Member of Your Majesty's Executive Council in this Province, and in that quality a responsible adviser of His Excellency, Your Majesty's Representative the Governor General aforesaid.

All which Your Majesty's faithful Commons humbly beseech Your Majesty graciously to receive.
