## F.P.U. and U.T.C. Motor Engines For Sale

We have in stock a few

### F.P.U. (4 h.p.) and U.T.C. (6 h.p.) Motor Engines

These Engines are 2 Cycle, made by Fraser. We sold scores of those Engines last year which gave splendid satisfaction. Those now in stock are fitted with Brass Kero Oil Adapters, and Carburetors with all fittings for running. They are the same make as the Engine installed in the F.P.U. Motor Boat and work splendidly with kerosene oil fuel.

We have no large stock of those Engines and will not again handle 2 Cycle Engines, having decided to sell only 4 Cycle Engines after our present stock of Fraser's is sold. These Engines are new; not second hand Engines. Union members can secure them at last year's prices and terms. Send along your order promptly.

### GET THEM OUT!

Mr. DEALER,—You want your goods moved off your shelves quickly, do you not?

There are two things that will move them for you—

ADVERTISING and QUALITY. First ADVERTISING, that people may learn of the good points of the article for sale and may be led to try it.

Then QUALITY, that having tried they may find it all they expected and more.

Buy BEAR BRAND RUBBERS from us, and you get both. We advertise ALL THE TIME. The quality of the rubbers is excellent.

Therefore BEAR BRAND RUBBERS will have but a short stay on your shelves.

Consider these points well, and place your order with

## SOME CHALLENGE!

TIME TRIED

CAILLE PERFECTION

STORM TESTED

Photograph of Actual Test.

The Trouble-Proof Engine. PERFECTION WATERPROOF IGNITION SYSTEM.

No Coils—No Batteries—No Timer

Only One Wire on the Whole System.

The only safe equipment for boats that must be used every day.

No danger of your engine stopping if caught in a storm.

Advantages of Perfection Igniter.

No batteries, no coil to need adjusting, no complicated wiring, no variation in current, no adjustment, not affected by water, makes an easy starting engine. Runs in either direction. Spark does not depend on speed of engine. Simple and durable.

Test shown in photograph was made to prove that "Perfection" Igniter is absolutely waterproof. We challenge any engine manufacturer in the world to produce an engine with an ignition system that will stand a similar test. Every part of the ignition system was submerged in water and engine continued to run, showed the same power and speed as when running perfectly dry, proving beyond any doubt our claim AN ABSOLUTE WATERPROOF IGNITION SYSTEM.

## Washington Withdraws

### Military Observers With German Army

Washington, April 4.—The American officers on duty as military observers with German armies have been ordered home and their places will not be taken by other officers. The reason assigned by Secretary of War Garrison for the recall order was that their mission had been fulfilled. This explanation it was announced, would be the War Department's last word on the matter. It is known, however, that other reasons, largely

of a personal character, were considered by army officials in determining to withdraw the observers.

The American officers, it is said, have found their position somewhat difficult because of the high tension to which at least a few of those with whom they must come in contact in Germany have been strung by months of warfare and press reports in Germany criticizing the attitude of the United States on various subjects relating to the war. The effect has been to hamper the observers, and open possibilities of personal friction that might become international, and officials here are understood to have determined to withdraw the officers rather than that any unpleasant incident should occur.

Secretary Garrison was positive in asserting that the withdrawal had no connection with the case of Major Langhorne, recently relieved from duty as American military attaché at

the Berlin Embassy. This statement set at rest conjectures that the reports of the observers to the War Department had not been regarded as confidential.

So far as is known, the withdrawal of American military observers will other European armies is not contemplated.

Washington Star.—War has introduced into history a broad line that reaches around the world.

Manila Times.—"Woe to Britain!" says a German paper. Wouldn't it be more to the point to spell it "woah!"

New York Sun.—The belligerents in Europe are making international law to suit themselves in their death grips, and until it ends there will be no opportunity to define what it is in some of the aspects of MODERN WARFARE on the sea.

## READ THIS! To The Fishermen:

"THE COAKER" Kerosene Motor Engine Is The Favourite!

A Motor Engine made for The Union Trading Co.

by the Largest Motor Engine Manufacturers

in America is now available to the Fishermen.

THE FAMOUS 6 H.P. COAKER ENGINE.

The "Coaker" 4 Cycle Engine can be operated on half the oil consumed by a 2 Cycle Engine. This Engine's power is equal to double the power of some 2 Cycle Engines. It is made for Fishermen's use and expressly for Trap Skiffs and the large size Fishing Bullies. It is sold to Union Members at wholesale prices, all commission and middlemen's profits being cut out. We have contracted for the manufacture of 1000 of these Engines. We sell no engine but the "Coaker." We have them on exhibition at our wharf premises. We carry parts and fittings in stock. We will arrange reasonable terms of payment to meet the requirements of men unable to purchase for cash. WE GUARANTEE THE ENGINE. Write for particulars and terms, applying to Chairmen of F. P. U. Councils concerning this Engine. We confidently recommend the Engine as being of the very best make and material, of being exactly what is needed for the Fishermen's use and GUARANTEED TO GIVE SATISFACTION.

It is above all durable, simple and capable of doing heavy work; it is not a toy engine. The Engine starts on Gasolene, and when started, operates on Kerosene oil. The very latest improvements on Motor Engines will be found on the "Coaker." We have sold 200 of these Engines the past spring and all are giving splendid satisfaction. No other firm can sell you a similar engine. We possess the sole rights to sell this Engine in Newfoundland. The man who buys a "Coaker" Engine from us saves \$50 on a 6 H.P., \$80 on a 8 H.P. and \$40 on a 4 H.P. Engine.

We have the 4, 6, and 8 H.P. Engines on exhibition at our premises. We also sell 12, 16 and 24 H.P. "Coaker" Engines, all 4 Cycle make. We also sell 2 H.P. 2 Cycle Engines for small boats. This 2 H.P. Engine is fitted with a Kerosene adapter. No agents will be employed to sell these Engines. We will do our work through the Councils of the F. P. U. Send along your orders for Spring delivery. For full particulars, prices, etc., apply to

8 H.P. COAKER.

4 H.P. COAKER.
