

McClary's Kootenay

TOP, bottom and all four sides of the Kootenay oven are evenly heated. That is why it is so famous as a dependable baker. There is a thermometer, too, to tell whether the heat is right or not.

No range is quite so easily managed. Duplex grates clear the ashes at a single turn. Burnished cooking-top never needs blacklead. Nickered steel oven walls are kept clean with a damp cloth. Well-fitted joints and dampers hold the fire—and the oven heat—for hours.

Let us show you the Kootenay.

Canada's Debt.

Canada's debt is now about two billion dollars, of which three-fourths are held in Canada itself, one-sixth in Great Britain, and one-twelfth in the United States. Canada is now practically independent in a financial sense. The bulk of the debt is from the Canadian people to that section of it which invested in bonds during the war.

A Sad Case.

The lieutenant was lonesome for a familiar face. Seeing a chap who looked like the boy who used to deliver groceries at his home, he stopped him and asked: "Do you know who I am?" "No, sir; don't you?"

Point Blank.

Jack—And when I proposed at the dance she asked for time to think it over. What do you suppose she did that?

Bess—Well, a girl naturally hates to think of disagreeable things while enjoying herself.
