TO PUNISH OFFENDERS

Judge Houston has received a letter
from Deputy Attorney General Car-
wright, Toronto, asking him to give
all men charged with stealing a ride
on a railway train, the full extent
of the law, and to deal harshly with
all tramps. A crusade is asked to be
inaugurated against hoboes. Judge
Houston wrote back asking that the
Dominion Government be petitioned
to change the law. The punishment
for stealing a ride is not very severe,
while a man can be given six months
in the Central Prison for vagrancy.
Mr. Houston suggests that stealing a
ride should be made prima facie evi-
dence of vagrancy. Then the onus
of proving that he wasn't a vagrant
would be on the man himself.
