The Annual Meeting of the Stock Holders of the above Company, will be held at the Secretary's office in Newcastle, on Thursday, the thirteenth day of January next, at three o'clock p. m., for the purpose of choosing Directors for the ensuing year, and transacting such other business as may be deemed necessary.

The Directors will meet at the same place, on the same day, at eleven o'clock a. m., to audit the treasurers' accounts and wind up the business for the year. ness for the year. ALLAN RITCHIE,

Newcastle, Dec. 27th, 1886.

That is what a greet many people are doing.
They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse. The only sure remedy yet found is Davis' Quinine Iron and Wine, and this by rapid and thorough assimilation with the blood, purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and trength.

This is why Davis' Quinine Iron and Wine will cure Dyspepsia, Indigestion, Liver Complaint, Malaria, Intermittent Fevers, General

BURTON, SUN. Co., July 17, 1883.

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis Quinine Iron and Wine, and am bappy to say I now have a good appetite and am getting stronger.

JOSEPH McCAWLBY.

UPPER CAVERHILL, YORK Co., N.B., July 25, 1882.

Dear Sir,—In answer to your letter of nquiry relative to the benefit derived from Davis' Quinine, Iron and Wine, allow me to say that I consider it a wonder, and the best Tonic I have ever used, having tried several others without saing benefited any. I was induced to try your Quinine, Iron and Wine, and am now a new man, having gained by its use my former strength and activity, and as for my appetite, it never was better. t never was better.

Very truly yours, ELIJAH NAVINS.

Davis' Quinine Iron and Wine is not a drink d does not contain whiskey. It is a simple eparation of Iron and Quinine that causes no jurious effects. Get the Genuine. Ask for Davis' and take no other.

"I see in the paper that three tons of to give it up. yarn are yearly used in the manufacture of base balls," observed Fangle. "I suppose that is the reason so many clubs get worsted," replied Snooper.

IMPORTATION OF EGGS In 1876 the United States imported about five million dozen of eggs, but in 1885 the quantity had increased to sixteen million dozen, representing a money value of two and a half millions of dollars, every penny of which had to be paid in gold coin. At this rate of increase we should pay to foreign countries during fifty years, for the single item of eggs, an amount more than equal to the present national debt. But

Powder will double the egg product with-in five years. By the persistent and intelligent use of Sheridan's Powder, hens are made to lay nearly the entire year and especially during the season when eggs bring the highest price. This fact wise have done so. It is not necessary to have a farm to keep hens on, as many suppose. Hens may be kept conveniently and profitably in a large and crowded loh's Cure will give immediate relief. city. In fact the whole business of

poultry keeping has been reduced to a science during the last five years. I. S. Johnson & Co., of 22 Custom House Street, Boston, have recently published a valuable book on this subject, entitled, "The Poultry Raising Guide," single dustry help copy, 25 cents. They will send the book and two 25 cent packs of Sheridan's Powder for 60 cents, postpaid, or a 24 pound tin can for \$1.20. Within the positive currents of this book one can find all the covers of this book one can find all the nformation necessary to enable one to make money in the business. Every question has been anticipated and answered, and the plainest possible directions given on every point. d 29-4w.

A Common Cold Is often the beginning of serious affec-

overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough. Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured. I am satisfied that this remedy saved my life. - Jno. Webster, Pawtucket, R. I. It contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinate symptoms. My physician at once ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure.—II. E. Simpson, Rogers Prairie, Texas.

Rogers Prairie, Texas.

Two years ago I suffered from a severe Cold which settled on my Lungs. I consulted various physiciaus, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was curred. Since then I have given the Pectoral to my children, and consider it The Best Remedy

for Colds, Coughs, and all Throat and Lung diseases, ever used in my family.—. Robert Vanderpool, Meadville, Pa. Robert Vanderpool, Meadville, Pa.

Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my lungs. I had a hacking cough, and was very weak. Those who knew me best considered my life to be in great danger. I continued to suffer until I commenced using Aver's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative powers.—Mrs. Ann Lockwood, Akron, New York.

Aver's Cherry Pectoral is considered. Ayer's Cherry Pectoral is considered, here, the one great remedy for all diseases of the threat and lungs, and is more
