PRESENTATION TO REV. F. T. BERTRAM

The members of the congregation of the Methodist Church met at the home of Mrs. E. A. McLean on Thursday evening and presented their pastor Rev. F. T. Bertram with a purse of money, prior to his leaving, to take up further studies. Mr. Bertram replied in a very appropriate address thanking the congregation for their co-operation with him during his stay here and also the kindness shown both he and Mrs. Bertram. A very enjoyable evening was spent with games and music. After the presentation luncheon was served. The address was read by Miss Ethel Allison and Mr. Ashford made the presentation.

The following is the address given to Mr. Bertram:

Dear Mr. Bertram:— In the providence of God and the course of events the time is drawing near when our relations as pastor and people will be severed. We cannot allow the occasion to pass without an effort to express in a measure our appreciation of your labors during the period in which you have gone in and out among us as pastor.

You have been ever on the alert for our betterment in a spiritual sense. From the pulpit you have never failed to deliver the whole truth and to preach the pure gospel as found in God's Holy Word. As a teacher you were most faithful, combining all the qualities which make the study of the word both attractive and helpful.

We understand that it is your intention to pursue a further course of study and thereby fit yourself for greater usefulness in the cause of the Master whom you serve. We feel proud of the spirit which prompts your action along this line, and we assure you that our prayers and best wishes will follow you and Mrs. Bertram to your new sphere.

Before parting we would ask you to accept this gift as a token of love and our appreciation of your faith and works.

We trust that in the busy years to come you may occasionally draw from memory's storehouse a little thought of your friends in Newcastle. We know that if faithful it will be ours to be among the blessed when we shall "all gather home in the morning on the banks of the bright Jasper sea."

Signed on behalf of The Congregation of the Methodist Church, Newcastle, N. B., June 24, 1920.

Vote FOR Prohibition Saturday, July 10th

ELECTION INFORMATION

The Act in Brief

The present Prohibition Act legislates against the sale of intoxicating liquors for beverage purposes, and only allows it for manufacturing, sacramental and medicinal purposes.

The Act also provides for enforcement of the law and penalties for violation.

This Act was a war-time measure and the Government now wish to know from the electors whether they want Prohibition continued or not.

We Know Its Faults

The Act is weak in that it allows too much latitude in the case of doctors, druggists and vendors who have practically the dispensing of liquors within their own hands.

Further Legislation Depends on You

Application has already been made by the Temperance people to have the Act amended in regard to the recognized weaknesses and the Government is sympathetic—BUT NOTE THIS—the Government put off the granting of these improvements to make the Act more effective.

until the result of this election PROVES that the people want Prohibition, and by the majority of the vote the Government will know just how badly the Electors do want it.

Your Vote at this Election may have a very important influence on the future action of the Government.

Are You Aware of This?

In 1919 an Act Passed the House, providing that the Government shall take over the entire liquor business within the Province, for the three purposes contained in the Act, and also giving them more stringent control over the sale of extracts, essences and tinctures—But Mark You, the Government has refused to take action until the voice of the people has been heard at the coming referendum.

Stop Importation Our Next Move

Authority to Prevent the Importation of Liquor into the Province does not rest with the Provincial, but with our Dominion Government, which has already stated that a vote may be taken on the question in New Brunswick, on the recommendation of the Legislature. If the result at the coming election satisfies them that the people actually want Prohibition—we are sure to get it.

WHAT YOUR BALLOT CAN DO JULY 10th

FIRST—Provide the way for necessary Amendments to the Act, that will make it really effective.

SECOND—Show the Government that the people demand Prohibition, and want the laws enforced.

THIRD—Hasten the election that can shut out the importation of liquor into the Province.

REMEMBER You are Voting for Prohibition as Against a Return to the Bars

Don't Fail to Do a Man or Woman's Part July 10th

Light Wines And Beers

To Vote For These July 10th Means to Defeat Prohibition—H.A. Powell's Unique Experience.

H. A. Powell, K. C., who has returned recently from an eight thousand mile trip in the United States and part of Ontario made the interesting statement that during all that time he had never seen an intoxicated person, and while in association with his brother members of the Waterways Commission he had been entertained extensively he never in a single instance had the slightest indication of liquor come under his notice. Instead, Mr. Powell came in contact with the deep rooted impression that prohibition is the greatest uplifting movement of the century. By gradual process Mr. Powell expects to see similar Canadian conditions, and, in commenting upon local criticisms, the eminent lawyer referred to the fact that laws against drinking and murder had been on the statutes in England for over a thousand years, and, while crime still existed, its extent would be unthinkable without the law. Mr. Powell believes the prohibitory law is a parallel instance, and that even if deserving of criticism such facts should not discredit the law and voters should remember that a vote for light wines and beers will help to kill prohibition; also that victory July 10 means that we will ultimately have real prohibition similar to that now enjoyed in the United States.

Tablet Erected In Memory of Late Lt. Col. McKenzie

In the presence of the board of school trustees, the mayor and commissioners, Brig. Gen. A. H. MacDonnell, C. M. G., and the pupils of Albert school, West St. John, and others, the unveiling of the brass tablet to the memory of Lieut. Col. A. E. G. McKenzie, D. S. O., late commanding officer of the 26th battalion in France, and at one time principal of Albert school, took place at 3:30 Thursday afternoon. Lieut. Colonel Alexander McMillan, D. S. O., who succeeded to the command of the 26th battalion, performed the ceremony. The tablet, which is a beautiful one of brass, is eighteen by twenty inches and is mounted on an oak board. It is a gift to the school board from Dr. J. B. M. Baxter, K. C. in tribute to a long friendship with the gallant officer who gave his life on the battle-fields of France.
