Cleveland Indians Are Critic's Selection In The American League Race

NEW YORK, April 17.—Ohio will be the baseball capital next fall, the critics of the diamond say.

Having satisfied a desire of 50 years last year when the Reds won the National League pennant, the Buckeye fans are sure to see another dream come to pass by having the world's series an all-Ohio affair, the dope seems to point.

To those who come at him with mitt outstretched and nice words of congratulations, Tris Speaker, who stars his second season as a big league manager, says:

"Not so loud, maybe you're right but I don't want the boys to get full of that cinched pennant stuff."

Speaker is right. The Cleveland Indians haven't cinched the Ameri-

can league pennant. But if they don't land first on the heap, the young leader of the Dunn tribe is going to have some tall explaining to do.

The dope seems plain as a nose on the face. The White Sox won the pennant last year and the White Sox are broke this year. The Indians ran them such a close race last year it is doubtful if they would have been able to hold the end over the regular 154-game schedule. The Indians are just as strong, if not stronger, than they were last season. Nothing to date seems strong enough on paper to keep them out of the first hold.

etroit and the New York Yankees will fight it out for second place.

In police court today a citizen pleaded guilty to having a bottle of whisky illegally and was fined \$200.

Power will be off Lincoln Electric Light & Power Company's lines Sunday, April 18th, from 9 to 11 a.m. and 1 to 5 p.m.

This afternoon at the Lacrosse grounds McKimfons play St. Catharines team in the League series. The game starts at 3.30.

A special meeting of the shareholders and members of the Lawn Bowling Club will be held in Standard Hall on the evening of April 27.

It cost Antonio Caino of Crowland \$300 and costs for having too large a stock of whisky in his home. Inspectors Putman and Ekins laid the charge. This morning, 420 South Main street, paid \$200 for having some liquor. The man who bought the liquor was the informer, and Chief Laing laid a charge against him. The informer was fined \$250.

The judgment of Justice Lennox in respect to the recent case of Ful-

Hugh Jennings and Miller Huggins say so. Q.E.D. However it looks to be right. If the Tigers had a dependable pitching staff something they have lacked for years, they would be right on the Indian's heels. The Yankees are strengthened on the offense by the acquisition of Babe Ruth but they are just as slow as foot as they were last season. They have a good pitching staff.

Jimmy Burke and his Browns may land in the first division in the place of the dilapidated White Sox. With Buck Weaver, Chick Gandil and Swede Risberg gone, the plight of the Sox is a sorry one. The Boston Red Sox didn't profit much by their two big deals, and Clarke Griffith didn't have time enough under his new regime as president of the Washington club to get some players he was after. Connie Mack has a team of extremely you players that may be a surprise and pull the Mackmen out of the cellar this season.

ler vs. the City of Niagara Falls, which was tried at Welland Assizes a few weeks ago has just been given, and dismisses the action without costs. The claim of the plaintiff is barred by reason of her delay in serving the statutory notice, but the damages of the plaintiff are assessed contingently at \$2,000. Mrs. Fuller sued the city for \$5,000 as the result of a fall which she sustained on Morrison street Niagara Falls last autumn. She injured her knee and has suffered from the effects of it ever since. Although it was obvious that the sidewalk in question had not been in good condition and that Mrs. Fuller had sustained a bad injury, she had not served notice on the city within the time required by law, and so her claim was not allowed.

MAJOR HENRY BURGOWNE TURNS OUT TO PRACTICE

Calcott 137 160 177
Burgoyne 89 115 99

The above scores were recorded at the T.&M. alleys last night when the machine wrecking squad from the Standard turned out for a little work-out.

It was expected that more than two representatives from "Smoky Pittsburgh" would be on hand, but as it was only the office genius and his co-machinists were on hand.

A committee meeting had been held in the afternoon and all were bent on having a workout last night, but no doubt the announcement of the presence of such an expert bowler as Major Burgoyne prompted the others to put their cash in the last notch of their trouser pockets.

The Niagara Falls Gazette ten pin team will be in the city this evening and will take on the Standards selected aggregation at the T.&M. alleys this evening. Captain Calcott has not as yet decided on his line-up, and he may experience difficulty in resurrecting five men to carry the colors for "Smoky Pittsburgh."

THEY deal in human nature stripped of its veneer. They see it at the pinnacle of its joys, and in the depths of its sorrow or degradation.

RECENTLY one of the leading Officers of the Men's Social work of the organization, after twenty years of devoted work on the altar of sacrifice and service, was "promoted to glory." One testimony described him as "a comradely man."

THAT graphic phrase illustrates the spirit in which their Officers endeavor to interpret Christ's teaching to those whom they serve.

Murderer Capture gregation—He Crowded Church But Shotr Went

NEW YORK, April 20.—Dr. Markoe, a well known surgeon and killed Sunday while offering at the morning in the fashionable St. C. Protestant Episcopal Church on the old aristocratic district.

His assailant was captured short chase by a group of men headed by William F. Morgan, president of the Medical Association of New York; Dr. Brewland and J. Morgan of the East 22nd street police station gave his name as Thomas W. Shelly and la Thomas W. Simpson. The did he told them he had escaped from the Eastern Hospital for the insane at West.

Morgan's Personal Physician Dr. Markoe, a wealthy vest of the church, was a friend and personal physician to J. Pierpont Morgan, also a parishioner there as 56 years old.

The church was crowded with members, many of them representatives of the wealthiest families of New York, when the shooting occurred. Dr. Markoe was walking on the left aisle taking the collection while the choir was singing a hymn. As he reached the twelfth row from the rear and leaned over to the plate, Shelly, who was seated next to the aisle, whipped out a revolver and fired at the physician. Shelly struck him over the left eye and he collapsed in the aisle.

Several Women Screamed Several women screamed and rushed from their seats, some of the physician and others in the church. Shelly, who was smoking a revolver, in his excitement over the body of the man and started to run out of the church. The choir, led by C.

Man May Carry Liquor, Acc Of M

The decision handed down by Justice Middleton in Toronto which it was ruled that a man may act as his own common carrier will exercise a far-reaching effect upon the rum running industry. The decision was made in the case of John Konzak, a foreigner, who brought into Ontario cases of liquor from Montreal. Konzak was arrested for a violation of the O. T. A. his liquor confiscated and he was fined \$500. The court now rules that the fine is unjustified and the liquor returned to Konzak.

If the ruling be taken as a precedent there appears nothing to prevent any number of individuals from driving their autos to Montreal, loading them to the guards with "fruit of the vine" and then driving back. They will be immune from any interference on the route provided they take the car to their homes.

The only chance the whiskey taker now is that he be tempted to divert his liquor to some place other than his own home. In which event, he would be amenable to the full force of the law. However, as a good many men
