**REPORT OF COMMISSIONERS** 

the specifications for scwer work.

OUT

NO. 146. Regarding Taylor and Bourchier's George Carlos , Greak wrestler from Aberdeen, Wash., struck town contract on sewers, there has been considerable friction between the conyesterday. He is out to hang a few ractors and the engineer regarding hides on the fence and is not particuthe meaning of the concrete clause in lar who or how much. George is out with a fine defi. The contractors claim that from the gotta de man," says George, "I wreswording of the specifications they fig-ured the concrete on a basis of 7 to 1 tle any doze boys.' The Greek says he will wrestle any when as a matter of fact the specifications are only 5 to 1 and which the one but wants to wrestle for his own money and no one else's. He does not engineer rightly insists shall be liveu to. The contractors' contention is want to be bothered going on for gate

that by making them put cement into the concrete in the proportion of 1 to the concrete in the proportion of 1 to 5 they are putting more cement into of the Downs-Alin match for \$500

fures upplied by the engineer this casion for one hour and 45 minutes will amount to approximately \$11,as could be seen anywhere. Miss Eliz-abeth, Sliver 1p, and Lan Patch, went aomunt to \$1,051.20. whole list of minor wrestlers and We are of the opinion that the conclaims that he is not afraid to meet

tractors did inadvertently figure the anything short of a national

#### WARM PRELIMINARY (Wednesday's Daily)

A warm preliminary is promised for the Downs-Alin match on Saturday night. While the main bout will n. doubtedly draw largely, the preliminary wil be a good one. Jens Jensen undertakes to throw Kenny Blatchford three times in an hour, and

Blatchford has his order. So far Blatchford has been getting handicaps pretty nearly all through and the wrestlers have apparently all taken him on on the understanding that he was easy. It generally takes out we are satisfied that the actual value of the work is in excess of the contract price. We would, therefore, recommend to the Council that it. would warrant. and from the actual mat every twenty minutes for an hour. The boys will watch the event with Lumber Co. thus formed showed its just and reasonable that an allowance might be made to the contracors of an considerable interest.

MARK NELSON COMING

-----

(Wednesday's Daily) Under date of yesterday Mark Nel-on telegraphs from Minot, N.D., that 8 ft. sewer at rate of .95 per lin. ft 5 ft. sewer at rate of .33 per lin. ft he will take on Watty Watson for a 3 ft. sewer at rate of .16 per lin. ft 20-round glove contest for points in the Thistle rink here on October 15th. 2-6 ft. sewer at rate of .11 per lin. ft 5-6 ft. sewer at rate of .42 per lin. ft He will train in Minot and will arrive Subject to a test being made to de-ermine actual difference. Should this Edmonton about the 13th. Mark Nelson met and defeated Watson in Calgary last winter in a 20ecommendation be adopted by the son in Calgary last winter in a 20 round go and has since been sparring in Dakota and Montana. He is fast and scientific and a match between he and the Calgary hey will make a good No. 1 contract ..... \$173,878.70
