FULL PAY AS CAPTAIN ub-Committee on Naval Affairs Recommends That Arctic Explorer Receive \$6,000 per Year-Report Will Arouse Lively Discussion in the House. Washington, Jan. 12-Capt. Robt. E. Peary, the Arctic explorer, today was formally approved in his claim for Congressional recognition at the hands of a sub-committee of the ALB J. BENE AV House committee on naval affairs. The sub-committee at an executive meet HE GREAT ing from which the two principal opponents of Peary, Messrs. Roberts and Macon, were absent, adopted a Tavor-

able report to the full committee on the Bats bill, which extends the thanks of Congress to Peary and retires him with the rank of rear-admiral in the ngineer corps of the navy. Capt. Peary is now 54 years old and the action, if approved by the House and agreed to by the Senate, will place him immediately on the retire with about the same pay, \$6,000, as he is receiving as a captain on the active list. The report will probably arouse a lively discussion, when i reaches the House.
