

In Memoriam.

DANIEL HOGAN.

It is with deepest feelings of regret we chronicle to-day the death of one of our most respected residents, in the person of Daniel Hogan, at his home in St. Mary's. Although deceased had reached the ripe old age of seventy-four, yet his death came almost unexpectedly, as he had been ill only a short while, but despite the loving care of relatives and friends, and best medical assistance obtainable, he passed peacefully away to his eternal reward on September 21st. Always being a good living man death held no terror for him, and his resignation to the Divine call and happy close of his mortal life alone, is a consolation to his bereaved relatives. Mr. Hogan was regarded with sentiments of affection and esteem by all who had the pleasure of knowing him, and his jovial disposition and charitable acts, gained him hosts of friends far and near. When the news of his death became circulated men knew that a kind, helpful spirit had passed away, for his kindness of heart and thoughtfulness were everywhere displayed and recognized. As a help to all travellers he will be sadly missed, as his home was open to one and all who came his way, and whenever he could assist a fellowman he was never found wanting. Mr. Hogan was a type of one of the old standard gentlemen, and one who followed the political affairs of the country. He had a great love for books and reading, and no happenings, foreign or local, escaped his notice, and it was a pleasure alone to hear him relate such events. He was one who could thrill the feelings of his listeners with the rehearsal of some old time experience, as well as amuse them with a comic story. On the whole, the community of St. Mary's, young and old, shall miss Mr. Hogan's cheerful greetings and words of encouragement, which he never failed to express when an opportunity offered. The popularity in which he was held was shown on the day of his funeral by the large concourse of friends which followed his mortal remains to the village cemetery and the church bells poured out his sad Requiem. He leaves to mourn him a wife, four daughters, Sr. Mary Patricia of Mercy Convent, Military Road St. John's; Sr. Mary DeChantal of Little Rock, Ark.; Mrs. Linnehan of Cleveland, and Nellie in Boston; six sons, Mike in San Francisco; James, Patrick and Daniel in Boston; William, who fills an honorable position in Mill Office with the A.N.D. Co., Grand Falls, and John at home, besides fifteen grandchildren and a large number of friends and relatives. To one and all the writer extends deepest sympathy.

A FRIEND.

Promenade Concert.

Eleven hundred people were present at the Prince's Rink last night, and were charmed with the music supplied by the C.C.C. Band under Capt. Bully at the Promenade concert. The several numbers were thoroughly enjoyed, and as on the previous nights several new numbers were rendered and the dances were taken advantage of by the large assemblage who all seemed to be enjoying themselves. The floor was in better condition than ever before which added materially to the enjoyment. A pleasing feature of these entertainments is the absolute law and order observed, which speaks volumes for Capt. Bully and his system of conducting. The next concert will be held to-morrow night.

B. I. S.—There will be a meeting of the B. I. S. Ladies' Auxiliary in the rooms this Tuesday evening, Oct. 11th, at 8.15 p.m. ELIZABETH H. PEDIGREW, Secretary.—oct11

"Laugh and grow fat" is an old axiom. We advise the use of a good tonic.

"BRICK'S TASTELESS" is a wonderful tonic and will certainly improve your health.

The selection of a tonic is a matter of great importance, as your health depends upon it. To fight disease successfully during the changeable autumn months the system should receive a tonic up. The facts we state about Brick's Tasteless silence all criticism.

Weigh yourself the day you commence to take Brick's Tasteless, then weigh yourself two (2) weeks later and note the increase.

REHEARSALS START.—The rehearsals for the musical comedy "The Quaker Girl" will commence next week. The production will be presented sometime in January.

TEAM TOOK FRIGHT.—A team of Lester's horses took fright on Water Street yesterday afternoon, and bolting down the street made pedestrians seek safety in all directions. The animals were stopped by Mr. J. Williams before they had done any damage.

K. of C. "At Home."

The annual "At Home" of the K. of C. for the members and their lady friends, took place last night in the Columbus Hall, Duckworth Street, over 120 couple attended. The affair, which was conducted by the House Committee, with the assistance of the Columbus Ladies' Association, was highly successful. The floor of the Council chamber was in excellent condition, and the music by the C.C.C. Band was splendid. Supper was served at 11.30. The tables were artistically decorated and the catering was all that could be desired. After supper dancing was resumed and continued until an early hour this morning.

New Law Firm.

Congratulations are being extended to Mr. James O'Neil Conroy, who yesterday was admitted as a Solicitor of the Supreme Court. He will enter partnership with his sponsor Mr. John Fenshon, one of the most scholarly and respected of Newfoundland's professional men. Mr. Conroy is a son of Mr. C. O'Neil Conroy, legal adviser to the Reid Nfld. Co. To the young Solicitor and the new firm the Telegram extends all good wishes for a successful career.

Shot An Eagle.

Mr. Easterbrook, mailman of Pouch Cove, shot an eagle recently in that settlement and brought it to town yesterday. The bird, which is presumably one of a number that was seen here last year, has a spread of 7 feet 6 inches from tip to tip of wing. Mr. Easterbrook took the bird to the Game and Island Fisheries Board and on their advice presented it to the Museum where it will be stuffed and mounted.

She was owned by Kirby & Brown, Belleoram. Her crew of 24 were all saved.

S.S. Sable I. sailed for North Sydney to-day, taking the following passengers:—J. and Mrs. Maloney, Arch Gooby, Wm. Whelan, Graham Whelan, H. J. Shaw.

Your Success Machine.

The mind is the only force in nature that doesn't wear out with use. Your mind makes your work and your work makes your mind. The more your mind is exercised the greater it grows. Therefore, the business in which you would succeed is unimportant. The one thing to realize is that your mind is a machine which once set in motion along the right lines, will make success a certainty.

You want success. It will be yours if you are willing to pay the price for it. And the price is hard work and the sacrifice of all your other wants.

All your habits have been formed by your mind. Most of those habits which will never carry you anywhere. Your hard job will be to scrap them and form new habits. It will be a task of severe discipline to get your mind to "work." But if you have the grit to tackle the job you will in a very short time be conscious of a sense of efficiency which will make easy the doing of the hardest things.
