IMPORTANT NOTICE!

GREAT REDUCTION IN PRICE of the AMERICAN WATCH

THE American Watch Company of Waltham, Mass., being determined to place their several grades of Watches at prices within the reach of all parties, and to effectually shut out all Swiss counterfeit Watches, have decided from this date to supply their Watches in the Dominion of Canada at the **net Gold value of American Chronometers.** The Company by thus paying all duty, costs and charges on their Watches into Canada, will supply to the people of the Dominion the

Cheapest Watches in the World.

The Watches are of all grades, from the finest Gold Watch made, adapted to any climate from the Tropics to the Poles, at a price in suit the wealthy connoisseur or for presentation, to the Cheap Silver Lever, strong and serviceable, regulated to minutes, suitable to the Mechanic and Farmer, and quite as low in price as any moderate quality Swiss Watch. Our grades of **Extra Heavy Cased Watches** for Railway Engineers and Lumbermen deserve particular attention in Canada, as nothing can equal them for the purpose. Our leading Watches in **18 Carat Gold Cases** for Ladies and Private Gentlemen, at medium prices, will also be found very desirable.

We are frequently asked why we don't advertise prices. We reply that as we only supply the trade and as our Watches are now kept by most respectable houses, the public can rely on being served at a fair advance on the Manufacturer's List. Our trade marks are **AMERICAN WATCH CO., APPLETON TRACY & CO., WALTHAM WATCH CO., P. S. BARTLETT, WM. ELLERY, HOME WATCH CO.** Guaranteed in all cases by special certificate (except the HOME CO., which is warranted by the seller. The purchaser should always require the guarantee, as there are Swiss counterfeits for sale in some places.
