THIS WOMAN HAD MUCH PAIN WHEN STANDING

Tells How Lydia E. Pinkham's Vegetable Compound made Her a Well Woman.

Chippewa Falls, Wis.—"I have always had great confidence in Lydia E. Pinkham's Vegetable Compound as I found it very good for organic troubles and recommend it highly. I had displacement, backache and pains when standing on my feet for any length of time, when I began to take the medicine, but I am in fine health now. If I ever have those troubles again I will take Lydia E. Pinkham's Vegetable Compound."—Mrs. Ed. FERRON, 816 High St., Chippewa Falls, Wisconsin.

Providence, R. I.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound as it has done wonders for me and I would not be without it. I had organic displacement and bearing down pains and backache and was thoroughly run down when I took Lydia E. Pinkham's Vegetable Compound. It helped me and I am in the best of health at present. I work in a factory all day long besides doing my housework so you can see what it has done for me. I give you permission to publish my name and I speak of your Vegetable Compound to many of my friends."—Mrs. ABRIEL LAWSON, 126 Lippitt St., Providence, R. I.

The Path of Furniture Economy Does Not Lead to Low-Priced, Cheaply-Made Goods

We are making a clearing of many odd lines in furniture, and some specially good prices will be found on a great number of pieces which have been reduced. Many different factories are represented in our collection, and only the best is selected. If you are starting to make a home, remember this advice: If you only put in one piece of furniture at a time, get it good, rather than fill your house with cheap-looking and cheaply-made furniture.

As you judge us by the furniture you buy from us, so people go a long way towards judging you by your furniture. We have in mind always the satisfaction that it must give you when we buy furniture for our stock. There is not a single piece of furniture in our stock that is "under-price construction," no glued joints to take the place of dovetail, nor rough points concealed under paint and varnish.

BROKE INTO STATION

Burglar at St. Marys Got Little For His Trouble.

[Special to The Advertiser.]
St. Marys, Aug. 15.—The G. T. R. town station was broken into last night, but nothing of any value was taken. A blank ticket form was taken from a case, with the object, it is presumed, to impress the official stamp on it for Toronto, but it was left unharmed, and it is thought the night marauder had become alarmed, and made a hasty exit. Entrance was gained by prying off the wooden sidepieces from the window. A G. T. R. detective has been here. It is thought
