SPLENDID CELEBRATION HELD AT WATERLOO

Another year's Dominion Day is past and gone and Waterloo citizens can boast of the best day's sport they have had since since the big C.W.A. meet in 1898. From early morn until the closing set piece of the fireworks, the crowd was kept busy. The band opened the day with a concert on the market square at 9.30 a.m. and a large crowd turned out, all of whom appreciated the excellent program. At the park the Beavers and White Sox were fighting it out in a baseball game. At the end of the 9th innings the score was a tie, 5 to 5, and as the Beavers had to play "in" St. Clements, the game was called, and will be played over. The White Sox certainly played winning ball, and a large number of citizens were on hand and enjoyed the game immensely.

THE AFTERNOON SPORTS

The afternoon sports started promptly on time. The grand stand was packed to its utmost capacity and the terraces presented a lovely appearance. From the Grand Stand to the far end of the terraces was a solid mass of people. The ladies in their pretty costumes made a sight long to be remembered. They were there to have a good time and enjoy the sport and they certainly did. The first event on the program was the one mile bicycle race, open. Seven riders faced the starter and the race was a good one from start to finish.

The following is the way the riders finished:

1st.—D. Eiserman, Mitchell.
2nd.—W. McCarthy, Stratford.
3rd.—G. McMillan, Toronto.

Also started.—Alex Barrie, Toronto; Frank Brown, Stratford; G. R. Young, Toronto; W. J. Rodgers, Toronto. Time 2.31.

The 5 Mile Relay Race.

The next event was the five mile relay race, and this proved the best and most exciting race of the day. W. McCarthy of Stratford was the winner and he received a tremendous ovation from the grand stand. He had the misfortune to fall on the third lap, but remounted and although a full half lap was lost he caught Barrie, the leader, and won with lots to spare. Barrie was second and Eiserman third. Time 11.51 3-5.

The Boys' Race.

This race at a half mile, brought out four Waterloo boys and S. Hetherington of Stratford. The latter proved to be the best, his time being 1.37 3-5. Owing to a foul being claimed by W. Hogg, the race was re-run, the distance being a quarter mile. Hetherington winning again, with H. Dobbin second and D. Moorman third.

Special Motor Paced Race.

In this race D. Eiserman turned up winner, with G. R. Young of Toronto second. Time 2.19 3-5.

The Motor Cycle Race.

The motor cycle race brought out four of the best riders in Canada, and J. Wills, the Canadian champion had to step down to second place, being defeated by A. McLean of Toronto. Owing to the large crowd surrounding the course, the riders had to be very careful and they did not take any chances. However the race was run in 8.31, remarkably fast for a quarter mile track.

Pony Race.

The pony race was won by E. McDougall's "Flossie" in straight heats. Geo. Hogg's "Daisy" was second.

In the saddle horse class, Mr. E. F. Seagram's "Cannie Campbell," proved an easy winner, with "Belle of Wellesley" ridden by Miss Quickfall of Glenallen second. Sparkle" owned by W. C. Quickfall of Glenallen and "Rex" by F. K. Ferguson, Berlin, were the other entries.

In the running race, 1 mile, R. Philmore won from himself. Madigan of Toronto, who arrived too late to enter the motor cycle race, gave an exhibition of five miles against the Canadian record, but the best he could do was 8.33 2-3.

Baseball.

The final event of the afternoon sports was the baseball match between the Alerts of Berlin and the White Sox. The game was of the A 1 variety but the Alerts proved the strongest and won by a score of 2 to 0. The double umpire system was used, Armstrong and Smith having charge of the game, and their work was gilt edged.

Band Concert and Fireworks

In the evening one of the largest crowds that ever assembled in the park turned out to hear the band and view the fireworks. The band was at its best and had to respond to many encores. The program was a good one, and in the selection "Bohemian Girl" the band showed their full strength. "Coming Through the Rye" had to be repeated and made a decided hit with the crowd. At the prize drawing the following numbers were successful. No. 1007, mandolin; No. 598, [illegible]

The lucky ticket holders can receive their prize by calling at Mr. E. M. Devitt's jewelry store.

The fireworks were set off in front of the grand stand and brought to a close one of the best day's sport held in Waterloo for many a day. The W. M. S. are to be congratulated on their great success and now we can look forward to a grand old home week in 1909.

UNIQUE HOLIDAY PARTY HELD AT NEW HAMBURG

SILVER WEDDING AND ANNUAL FAMILY REUNION.

A unique gathering was held on Dominion Day at the home of Mr. and Mrs. Leon Pequegnat, New Hamburg. It was a twin event, combining as it did, the silver wedding anniversary of the host and hostess and also the seventy-ninth anniversary of the birth of his mother, Mrs. C. Pequegnat. There was a large family gathering and after the banquet had been served, chairs were placed on the lawn and a program of addresses, songs and recitations was given. Among those present were Mr. and Mrs. Arthur Pequegnat and family, Mr. and Mrs. Phil. Pequegnat and family; Mr. and Mrs. Geo. Pequegnat and family, Mr. Paul Pequegnat and family, Stratford; Mr. and Mrs. Jos. Pequegnat and family, Guelph. Mr. A. N. Fleischer, Hamilton; and other relatives and friends.

Mr. H. Fred Boehmer was chosen chairman and discharged those duties excellently. Addresses of congratulation to the aged mother and to the silver wedding couple, were made by the gentlemen, and reminiscences given of the olden days in Switzerland. Rev. Mr. Pfeiffer, of New Hamburg, who performed the marriage ceremony on this occasion, also gave an inspiring patriotic address on Switzerland.

SISTER TOWNS GOT CROWDS

BERLIN WAS DESERTED ON DOMINION DAY.

Another holiday has passed into history, and Berlin still has not had a public demonstration. As a result, the town was practically deserted on Wednesday and the cities of Waterloo and Preston benefitted by the big crowds of holidayers who took in the celebrations in those towns.

Waterloo had a specially creditable program, and it attracted the big crowd that was merited. Waterloo always goes in to make its celebrations a success and invariably achieves a satisfactory result. The street railway system put on a splendid service, and carried immense crowds to the west end.

Preston got a liberal patronage also, and especially in the evening.

The 29th Regt. band was the big attraction at Port Elgin and quite a number of citizens went up there.

Forty bowlers went to Stratford.

There were picnic parties large and small to Rockwood, Bridgeport, Freeport, Elora and other points, and all in all, Berlin was very quiet. It is estimated that between $5,000 and $6,000 was spent out of town by Berlin people.

Joint Picnic Grand Success

BERLIN AND GUELPH Y. P. S. HAVE FINE OUTING.

ENJOYED THE SIGHTS OF ROCKWOOD.

A joint picnic was held on Dominion Day at Rockwood, by the members and friends numbering about 80 of the Berlin (King St.) and Guelph Baptist Young People.

Rockwood is a very picturesque little town situated on the river Speed, and well deserves the name. The rocks and woods, from which it derives its name, along the river, make a pretty sight, indeed.

The scenery was delightful and pleasing to the eye, and taking it on the whole, one would think it the Thousand Islands on a small scale.

The main features were the beautiful Speed river winding in and out of the wooded and rocky country, being deep and wide, making it pleasant for boating and canoeing, in which every one took part.

The Rock Island is next to be mentioned as an item of interest. This is a large rock about 208 feet long, 100 feet wides and about 135 feet high, and can only be ascended by the aid of ladders and a helping hand.

Then again, one will go down the river and take in the many Islands and shore, which at places come to the water's edge in a perfect landing and in less than a hundred yards you would see a high wall of rock springing up from the water.

The woods are also to be mentioned. The beautiful pines and shady nooks afford an splendid chance to have a lunch or engage in sport of any kind. The limestone quarries, one [illegible] and last of all, and which is connected to interest most everyone, was the "Devil's Well," which is a natural circular opening in the solid
