Russian Governments  
ved at a Positive  
reement.

ent to Collector A. R.  
Ward Canadian  
shooners.

the announcement was  
that there was under con-  
sideration of the Government  
an act with respect to seal-  
ing of coast and islands, and it  
was stated that it would be  
necessary to have a Canadian  
title a light fixture and  
and thirty off the islands.  
sealing shooners were ac-  
cording to the proposed arrange-  
ment should be trouble in  
they would have to bear  
themselves. Since then nothing  
conclusion of the agree-  
ment, when a telegram to  
Mr. A. R. Ward, at this  
time minister of Trade and  
Dominion, gave an inter-  
mediate advice on the sub-  
ject, requesting him to ac-  
cuse the matter his im-  
portance came by wire yester-  
day as follows:

OTTAWA, May 13, 1893.

Collector of Customs,

telegram of March 10  
of March 17, I have  
English and Russian  
agreed to prohibit the  
within ten miles of  
within thirty miles of  
the Commander islands  
year. Ward sealers to  
hibition, communicating

puty Minister Marine.

above telegram, Collec-  
tor steps to give the no-  
tice officially notified  
forwarding a copy to  
et, of H. M. S. Garnet,  
at this station. As one  
ship will shortly leave to  
it, it is altogether pre-  
sumable the shooners now  
receive the notice in  
Collector Miller's office  
here to H. M. S. con-  
and Hakodate, Japan,  
the telegram for the  
speedily delivery. By the  
this will also be forward-  
ed in Japanese waters, so  
have due notice of the  
renewal of which they  
stood the purpose.

of speculation among  
the object of the con-  
ference has been made  
known. Attention  
that it, on the whole, looks  
like a determination  
of the destruction of seal-  
ing would seem to be  
under the treaty, to in-  
clude in the proscribed  
it does not throw any  
as of the rights of the  
company to take seals on  
further information will  
be when the mail ar-  
rives. English sealers  
as a threat as to the scope  
of the trial.
