The Musical Opinion and Music Trade Review, published in London, Eng. April 1, 1887, under the heading CANADIAN MUSICAL EXHIBITS AT THE COLONIAL EXHIBITION, has the following:
Referring to Piano Forges of Messrs. Heintzman & Co., Dr. Stainer says as follows: "I much regret that, owing to the late period at which I was called upon to make a report, all the more important instruments exhibited by this firm HAD BEEN SOLD AND REMOVED. But those remaining fully justified their high reputation. An Upright Grand, which I examined was in every respect a fine instrument; the touch was sympathetic and had a good repetition; the tone was full and rich. I also tried a specimen style No. 9, which was equally deserving of unqualified praise."

CARBOLIC SMOKE BALL.

TRADEMARK

This remarkable remedy—CARBOLIC SMOKE—has been used in the Eastern and Western States with the most gratifying results. It acts as a disinfectant upon all the mucous membranes where the air with the most deadly germs enters. By experimenting in a thorough manner it has cured in nearly every case the most severe forms of Catarrh, Asthma, Bronchitis, Neuritis, Headache, Croup, Sore Throat, Ears, Etc. This Carbolic Smoke distinct from the ordinary Carbolic Acid used upon the head, throat, nose, chest and lungs, upon the same principle as Carbolic Acid would act upon the poison that causes the disease. It is put up in "Little Balls," that can be used at home or on the street, in the office or counting room, with perfect ease.

I have been using the Smoke Ball for about three weeks, and am happy to say I am about cured. Yours truly,
T. W. DAVIS, American Express Co., Union Depot, Toronto.
Toronto, Ont., May 4, 1887.

Carbolic Smoke Ball Co. Gentlemen—When I commenced using your Smoke Ball for catarrh, some three weeks ago, my head and throat gave me much trouble that I was unable to get on for a morning. The symptoms have all disappeared, and I feel like a new man. ALEX. WYLLIE, St. James' Hotel, Toronto, Ont. TORONTO, June 8, 1887.

Carbolic Smoke Ball Co. Gentlemen—I procured one of your Carbolic Smoke Balls for my wife, who was suffering from a severe attack of acute bronchitis. She was completely cured by the use of the Smoke Ball in five days. We cheerfully recommend it to others. G. O'LEMAN, Advertising Agent Toronto News.

Carbolic Smoke Ball Co. Gentlemen—The Smoke Ball I procured from you has done me a world of good. It has removed those most excruciating pains that appeared to be located between the eyebrows, and the having had un-pleasant discharges of mucus have almost entirely ceased. Very truly,
TORONTO, Ont., June 1, 1887.
CARBOLIC SMOKE BALL CO.

Gentlemen—I procured one of your Carbolic Smoke Balls ten days ago, for my son and daughter, the one afflicted with asthma, the other with catarrh. It is just what it is recommended to be. Has now almost effected a cure in both cases. We recommend it to others.
K. MCKAY, Wall papers, 259 King-street east, HAMILTON, Ont., June 8, 1887.

Carbolic Smoke Ball Co. Since using your Carbolic Smoke Ball I have had the greatest relief I have had in three years. I have tried many remedies for catarrh of the nose, but yours has done me more good than all the others combined. I cannot speak too highly of it.
JAS. YULE, Empire House, Hamilton, Ont. TORONTO, Ont., June 25, 1887.
