We Want You to Know WHY THE PALACE AND JUBILEE RANGES

Are meeting with success. It is not because they are made by James Stewart & Co. It is because they are made of the best material and mounted by first-class workmen, and so constructed that they radiate more heat in the oven with a given amount of fuel than any other range made. Now these are facts that can be proven at my warehouses. I invite you to call and see these goods for yourselves before purchasing.

GRATEFUL-COMFORTING EPPS'S COCOA

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are fostered by keeping ourselves uncleanly fed. Hence simply by keeping ourselves well clothed with pure blood and a properly nourished frame, - Civil Service Gazette.
