

"What's flour *gluten*, Bud?"
 "It's what makes your dough *rise*, Rose."
 "Yes"—she encouraged.
 Added Bud very sagely:
 "Makes it *rise* in the mixer and *expand*
 "in the oven. It's the *elastic* part of
 "flour—*absorbs* all the water and milk
 "—and things."
 Rose grew interested.
 "FIVE ROSES, said Bud, is exceedingly *rich*
 "in gluten. I s'pose because it's *all* made
 "from *Manitoba* wheat. Takes up a lot
 "more water — makes those *fat* loaves —
 "lasts *longer* too."
 "Saves money, doesn't it?" asked Rose.
 Bud in a big voice:
 "The fat loaf makes the fat pocketbook."
 Use FIVE ROSES always.
 And Rose said YES.

\$3,600 in Cash Prizes for Farmers

WHEN you enter the Canada Cement Prize Contest, your dealer will assist you. Consult him in reference to conditions of the contest. Refer all questions of doubt to him to decide. Confer with him when his experience and advice and his knowledge of our plan would seem helpful.

Don't hesitate about doing this. We have requested him to assist to the best of his ability any farmer in his locality competing in this contest—whether it's a matter involving the application of cement, or how to go about winning one of the prizes offered in this contest. Do you realize that you have as good a chance as the next man to win one of these prizes? There are four for each Province, as follows:

PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911, the greatest number of bags of "CANADA" Cement. PRIZE "B"—\$100.00 to be given to the farmer in each Province who in 1911 uses "CANADA" Cement on his farm for the greatest number of purposes. PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with photograph

showing the best of any particular kind of work done on his farm during 1911 with "CANADA" Cement. PRIZE "D"—\$100.00 to be given to the farmer in each Province who submits the best and most complete description of how any particular piece of work shown by accompanying photograph, was done.

Contest will close on November 15th, 1911, and as soon as possible thereafter, prizes will be awarded.

Be sure and get a copy of our Contest Circular, telling all about the contest. Ask your dealer for one or use the attached coupon, if you find it more convenient.

In writing us, mention whether you have received your copy of "What the Farmer Can Do With Concrete," a profusely-illustrated 100-page book, which tells you how to build with concrete, so that you can do much of the work yourself. It's a mighty handy and useful book, and should save you many a dollar. Farmers who have received it, say it is splendid. Write to-night and it will go back to you with Prize Contest Folder, by return mail.

Young America's English.
 "What is the most incorrect sentence any of your children ever get off?" asked a Glenwood schoolteacher recently at the Schoolmen's club.

"One of mine got this off not long ago," responded a young man who teaches at the Robert Morris school: "It ain't hisn like, but yours."

"My best," said another teacher, "ran something like this: 'Rare roast beef is meat what there ain't none what's any underdunner.'"

The best one of the afternoon was furnished by a Germantown teacher. "Here is one," he said, "which has the old classic, 'He seen his duty and done it noble,' beaten forty ways: 'Leytenant Grant hearn the enemy in his bed, but he smuck up on him and killed him without know'n' who, where or what he was.'"—St. Paul Dispatch.

Young Eagles.
 An eagle lives from 80 to 100 years. The young birds are driven forth by their savage parents to provide for themselves as soon as they are able to fly. No training is given them of the old bird. That is left to their wild instincts, which hunger and necessity develop. There is no "going back to the old home" for the young eagles. The mother bird tears up every vestige of the nest, and if they emit plaintive shrieks the old birds dart at them and push them off the crags or rocks and thereby make them take to their wings. It takes three years for a young eagle to gain its complete plumage and strength.

The Variable Star Algol.
 The most noted variable star in the universe is Algol, which changes its brilliancy so remarkably that it was noted by shepherds of Mesopotamia many years ago. It is now known that Algol is not one star, but a double one. There are two suns revolving around a common center, one of which is blazing like our sun and the other is dead like the earth. Thus when the dark sun partially intervenes between us and the burning Algol much light is cut off.

Reason For Her Opignon.

Hit Hard.
 "I flatter myself I've made a hit with this song. Er—by the way, who was the gentleman that was moved to tears and went out?"
 "That was the composer."—London Tatler.

How to Live Long.

With healthy kidneys, one has a good chance to live long; but weak kidneys afflict old age with great discomforts. The back becomes bent and lame, rheumatism is chronic, eyesight fails and too frequent or involuntary passages of the urine cause embarrassment by day and loss of sleep at night.

Booth's Kidney Pills bring new strength to old backs and quick relief to weakened kidneys. They banish backache and rheumatic pain, regulate the bladder and urine.

Booth's Kidney Pills are for sick kidneys in old or young and are guaranteed by the proprietors, the R. T. Booth Co., Ltd., Fort Erie, Ont. Sold everywhere, 50c a box. Free trial sent on request.

Years and Years.
 The music hall artist was visibly annoyed by the "booming" of a few cockneys in the rear of the theater. Finally she advanced to the footlights and shouted in anger:

"I'll have you know that I appeared before King Edward VII."
 And the cockney crew roared back:
 "Ow long before?" — Columbia Jester.

 "That is so," agreed his companion.

FOR FAMILY USE

An Ideal Remedy for Coughs, Sore Throat, Catarrh, Weak Chest.

After having made a special study of the treatment of the throat and lungs for twenty years, Prof. D. Jackson states that in his opinion no preparation for general family use is so efficient, so healing, so certain to cure as Catarrhoxone.

As his reasons for making this claim for Catarrhoxone, Dr. Jackson says:

"Catarrhoxone is free from opium."
 "The patient can breathe its rich, balsamic fumes direct to the diseased spot."
 "It is a remedy that treats and cures causes—prevents disease spreading."

"Reaches the innermost recesses of the throat, nose, bronchial tubes, and lungs."

"Alleviates chest soreness."

"Stops coughing instantly."

"Prevents bronchial irritations."

"Relieves clogged nostrils."

"Cures sniffles and nasal catarrh."

"Prevents La Grippe."

"Has proven itself a cure for weak lungs, loss of voice, speakers' sore throat, asthma, bronchitis, catarrh, coughs, colds, and winter ills."

Catarrhoxone is unquestionably the world's greatest breathable cold, cough, and catarrh medicine, and being free from all drowsy drugs, entirely safe for children and old folks; it makes an ideal family remedy. Recommended by the medical profession, and sold by all reliable dealers. Beware of imitations, get "Catarrhoxone" only; large size lasts two months, and is guaranteed, price \$1; smaller sizes 25c and 50c. By mail from The Catarrhoxone Company, Kingston, Ont.
