**Napier Garden Party**

The annual garden party was held at the Chaplains' St. Andrew's Church, Napier, on June 29th, and was largely attended. The towns and villages of the surrounding country contributed their usual quota. The wet weather of the few days previous put the roads in rather a bad condition. However, the evening turned out fine and warm and quite early numerous autos and carriages began to assemble, and handshaking, which was much in evidence, bespoke a delightful reunion. For some years back this garden party has been recognized as a meeting place of friends who have been familiar with the beautiful and rich district, and the hospitality of its citizens was never shown to better advantage than on the present occasion. The grounds were beautifully decorated and the adjoining home of Mrs. C. Sutherland was especially attractive. It was not long before the Kerwood Brass Band and the bagpipes prepared everyone for the splendid programme that was to follow. The chair "as usual" was occupied by W. H. Sutherland, of Toronto, who came up on Monday to attend a Masonic function and have a little visit with his mother. His son, Jim, and daughter, Miss Cora, arriving by motor in time for the garden party. He opened with some happy and humorous references to the friendship that has always existed between himself and the people of this community in which he was born. He said he felt related to everybody and that "The Old Red Cradle Had Rocked Them All." He used his fine gift of expression in speaking of our country and the heroic achievements of Canada's sons in fighting for the Empire, and was accorded a wholehearted reception. The Fax-Wilson Excelsior Co., of Toronto, were on hand and captivated the audience with a well arranged programme of songs and trios, each member of the company doing his part well. Speeches in capital taste were made by the Revs. Williams and McKay, of Alvington, Rev. M. McFarlane, Napier, R. J. McCormick, Warwick, Piper Leitch, of Alvington, and Miss Gladys Comber, of London, gave a number of fine selections on the bagpipes, the latter dancing in superb fashion and each had a last following in the audience. The Kerwood Brass Band played beautiful music and received fine compliments on all sides. The committee in charge of the big affair deserve the greatest possible praise, for in nothing over which they had control was there the slightest hitch, and Mr. John McNeil, the President, and Miss Amy Munro, Secretary, are very thankful to all who upheld them at every stage of the proceedings. No company of ladies ever worked with better judgment or in greater harmony than those who handled the refreshment booths. It was long after midnight when the parting came and it was the unanimous opinion that no previous effort had achieved a greater success or would live longer in the memory of the inhabitants than the garden party of 1917. The proceeds amounted to over \$450.00.

**A NERVOUS BREAKDOWN  
 Can be Averted by Feeding the  
 Starved Nerves With Rich,  
 Red Blood**

Nourish your nerves—that is the only way you can overcome life's worst misery, nervous exhaustion. The fits of depression and irritation, the prostrating headaches, the weakness and trembling of the legs, the unsteady hand and the imperfect digestion that marks the victim of nerve weakness, must end in nervous breakdown if neglected.  
 Nourish your nerves by the natural process of filling your veins with rich, red, health-giving blood. Your nerves are crying out for pure blood and the mission of Dr. Williams' Pink Pills is to make new, rich blood. This explains why these pills have proved successful in so many cases of nervous disease that did not yield to ordinary treatment. For example, Mr. Wilfrid Donald, West Flamboro, Ont., says:—"Before I began the use of Dr. Williams' Pink Pills I was in a serious condition. I was not only badly run down, but my nerves seemed to be completely shattered. I slept badly at night, and when I got up in the morning was as tired as when I went to bed. I seemed to be on the verge of a nervous breakdown. At this stage I began the use of Dr. Williams' Pink Pills. In course of a few weeks I felt much relief, and continued the use of the pills, they completely restored my health. I can now sleep soundly, eat well, and an enjoying complete freedom from the old nervous troubles."  
 You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.
