

The Weekly Monitor.

WEDNESDAY, MAY 2, 1883.

On Thursday morning, about five o'clock, a fire broke out in the Watch and Jewelry store of Mr. M. K. Keen, which proved to be the most disastrous ever witnessed in Digby. The flames rapidly spread and soon had the building completely enveloped. The stores were occupied by Messrs. Tarrull & Walsh, and the Post Office, and the stores on the opposite side of the street, which were all on fire and all efforts to save them were vain.

The flames were communicated to the building opposite owned by E. R. Oakes, Esq., but were extinguished, though with great difficulty, the outside being only slightly burned. The store occupied by Capt. Taylor, was saved by covering it with carpets, and the constant application of water. The loss will be felt severely by Mr. Keen, who had no insurance - not even his books were saved. Most of the goods were removed from the building by Mr. Tarrull & Walsh had an insurance of \$1,500 on stock; Burns & Longstaff, \$5,000 on stock. Burnham's stock was partially insured.

A number of stores had been broken into the night before, which led to the suspicion that the fire was not accidental, and this suspicion has since been confirmed.

They have no fire engines in Digby, it is rather surprising, that in this age of advancement, the people of Digby would allow themselves to be found without any appliances for extinguishing fires.

Burglar Arrested.

On Thursday, 25th inst., police constable Donald McInnis, arrested a man named Pympton, Digby Co., who said his name was George Robinson, of Truro. He confessed to the officer that he went into the jewelry store in Digby, and lighter candle, took some money, a watch, and a revolver.

He was brought to Digby on Friday, and tried. Mr. Keen, one of the greatest sufferers from the fire, swore to the watch and revolver. Robinson is now in jail. He appeared to be much excited on the day of the trial, evincing signs of imbecility or insanity from the way in which the same reason was given to the jury.

GRANVILLE VISIT.

On Monday evening, 23rd April, Rev. E. B. Moore delivered a lecture in the Methodist Church, a large and appreciative audience, on the life of the poet Hood. The dignity associated with labor, both mental and manual, was elucidated, in an impressive manner. The lecturer's commendation of pure literature, and the necessity of placing the books at the disposal of the young, as a means of keeping them at home, was strongly emphasized. His thorough acquaintance with the subject was shown by the careful and detailed way in which he dealt with the poet's life and work. He is a man of letters, and his address was a most interesting one. He is a man of letters, and his address was a most interesting one.

His Honor the Lieut-Governor has been pleased to make the following appointments:

In the County of Annapolis. - To be members of the Board of Health at Bridgetown, Messrs. J. H. Moore, J. H. Parker, and John M. Barnaby, M. D. Esquires. To be a Justice of the Peace - Thomas Crosskill, Esq., in the County of New York. - To be Commissioner for the Province of Nova Scotia in the City and State of New York, under Section 90 of the Revised Statutes 4th Series, Joseph B. Brant, Esquire, of New York.

English capitalists, it is said, are about to establish a woollen manufactory in Montreal, Good. But why should we not have a factory of our own? The position is good for a supply of the raw material, and for the distribution of products. Could not some enterprising Americans with a genius in this line be induced to locate such an industry here?

These remarks apply most forcibly to Bridgetown. It seems strange in the presence of the fact that abundant materials and cheap help can be easily obtained, that some enterprising man does not start a factory in this vicinity to manufacture some class or classes of the various wares in common use. The mill factory at Round Hill gives conclusive proof that such enterprises can be made to pay.

It is stated officially, that the "City Point," on her last trip, came from Boston to Digby in eight hours less time than the "New Brunswick" to Yarmouth - Bridgetown Monitor.

As the "New Brunswick" made the run from Boston to Yarmouth - wharf to wharf - last week, in 23 hours, the "City Point," according to the above official statement, made the trip from Boston to Digby in fifteen hours, or at the rate of about nineteen hours to Yarmouth.

The statement which the Herald questions was sent by our Annapolis correspondent, and made to him by one of the foremost officers of the Hatheway Line who is probably prepared to prove what he states.

Since writing the above, we have received from Mr. E. F. Clements, agent of the Nova Scotia Line of Steamers, a lengthy correspondence relative to the statement which appeared in our issue of the 18th inst., and in which he indignantly denies that the City Point is capable of beating the New Brunswick on the route between Boston and Annapolis, and we are not in a position to say which of the two boats is the fastest, or in which route passengers may reach the Eastern portion of our Province first. If we have done the Yarmouth Line an injustice by any publication to the above, we beg to say that we have been misled, and will gladly retract the statement, and will gladly all the preparation that is necessary after further inquiry into the matter.

Local and Other Matter.

"Now you see them, and now you don't" - Straw hats.

A few fresh fish are being brought in.

Schur, Meteor, Graves, arrived in St. John yesterday from St. John.

R. H. Bth has removed his egg and paint business to the building lately occupied as the Custom House, directly in front of the Court House.

CLOSE SALTED. - The baronet Geo. E. Corbett and brig. Mary Freeman of Annapolis left Digby together and anchored at Bachelors on the 18th inst., within one hour of each other.

The May session of the County Council, convened in the Court House, in this town, yesterday morning, at 10 o'clock, the Warden in the chair. The official report of the proceedings will probably appear in our next issue.

The Halifax Watchman says that Ben. R. Jewell, Esq., Most Worshy P. A. of the County of Temperance of Nova Scotia, will visit the grand Division of Nova Scotia, on Tuesday next, May 1st.

It is expected the Dominion Parliament will prorogue on the 15th of May instant.

The Dominion Government have refused the request of the Nova Scotia Government for a Federal guarantee of the new Provincial railway loan.

The weather for the past week has been most cold and disagreeable, with several slight snowfalls. A change for the better has set in, and we hope now that spring will get enough of winter's lay, and stand alone.

Good News. - A friend informs us that while stopping at Digby a few weeks ago, he saw two lads named Day and Burdette, slung the heads of two fawns in Digby Basin, with a ball, at a distance of three hundred yards.

PROFESSOR CHAMBERLAIN. - Zebulon Darling, of Paradise, has sold his farm, commonly known as the "River Side Farm," to Hamilton Young, of the same place.

Benjamin Chute has sold to Edmund Clark, both of Granville, the farm owned by the late DuRoche Chute.

Edmund Clark has sold his book farm in Granville, to Philip Jones, of the same place.

We have received a quantity of potatoes, from the firm of Messrs. Jas. B. D. Wolfe, of Digby. They are good-sized, nice-looking tubers. The vines are respectively, "Dumfries," "Mountain King," "St. Patrick's," (this is a very fine looking variety), "Eureka," "Early Ohio," and "River Beauty." One bush of a seedling of "Compton's Surprise." The Messrs. DeWolfe grow all their own stock, and those wanting new varieties of potatoes will do well to patronize them.

COUNCIL. - Bridgetown is to have the pleasure of witnessing the Triple Show of Messrs. Cohan, Selten and Burns, in Victoria Hall to-night, Wednesday, May 2nd, at 7 o'clock. It is a patriotic and interesting affair, and well recommended by the press. Mr. W. H. Miller, of the same firm, is the father of the Sherwood States, who figured so prominently in the drama, "Uncle Tom's Cabin," and is now in the city.

Evilness on our way to the city. - The School Entertainment, which came off last evening was well attended, and passed off in a manner which did credit to the school. The programme consisted of dialogues, recitations, and songs, interspersed with choruses by the children, violin and organ duets by Prof. Ross, and a variety of other amusements.

The characters in the dialogues and songs were taken by Misses Winnie Fisher, Maggie Litch, Susie Young, Ella Hawkesworth, Ada Harris, Miss Hart, Miss Norton and Masters Walter and Arthur Chipman, Willard Litch, Archie Trout, Fred Reed, Will Hart and Fred Palfrey.

All acquitted themselves very creditably, only one defect being particularly noticeable, - the failure to recite enough, especially on the part of some of the young ladies, to be heard in all parts of the hall.

The general order that prevailed was marred by the action of three or four well known rowdies, who make a practice of attending everything that takes place in the hall, and who, by their wrestling, boxing and whistling, make it disagreeable to the respectable members of the audience. It is to be hoped that some steps will be taken to prevent such a practice from being repeated.

The entertainment at Victoria Hall, on Thursday evening, was on the whole, a success. It was well attended, and the principal characters were taken by Misses Winnie Fisher, Ella Harris, and Misses Litch, Hart, and Norton, and Masters Walter and Arthur Chipman, Willard Litch, Archie Trout, Fred Reed, Will Hart and Fred Palfrey.
