CREDITS DUE EX-SERVICE MEN

What Are Their Addresses?

In the hands of the Department of Militia and Defence their is still a onsiderable sum of money belonging to ex-members of the Canadian Forces and Dependents. Diligent search in the majority of cases has failed to reveal the whereabouts of the persons to whom this money is payable.

As a contribution to the splendid work being accomplished by the Great in its "Clean Sweep Campaign" to secure settlement of all outstanding claims, The MONITOR has decided to publish gratuitously the names of all those ex-service men and dependents who have credit balances on the books of the Militia Department. The accompanying list is the "final" instalment.

CASTORIA For Infants and Children

In Use For Over 30 Years Always bears the Signature of Car H. Hitcher

Children Cry for Fletcher's

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Cactor Oil, Paregorie, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep.
