

A Beautiful Collection of House Plants

for winter flowering can be had by planting a few bulbs this month. ¶ But only well formed and fully developed bulbs should be planted. No amount of careful culture can make a poor bulb produce good blooms. ¶ Remember this. ¶ Our Dutch bulbs have been specially grown for us by Holland's leading bulb expert. They are well formed, fully developed and properly cured; and with the most ordinary culture will produce pleasing results, both indoors and out. ¶ Ask for our bulb catalogue if you have not already received one.
