Underwood

Every typewriting contest of any importance held in recent years has been won on the Underwood—the Championship of the World in nine successive events, as well as contests of a more local character.

At a contest held recently for the Championship of Canada, although various makes of machines were represented, the nine best records were made on the Underwood.

The Underwood is the best typewriter. That is the universal opinion of operators; and who knows more about a typewriter than the operator?

THE WAGGONER EXTENSION LADDER

is what you want for pruning and picking; also for general use about the place. It is reinforced with steel wire and is the lightest, strongest and handiest ladder made. Write for free illustrated circulars and price list.
