NOTE BY THE JUDGES.—The Judges are decidedly of opinion that the number of Pears in section 7 should be limited. One exhibitor shows 15 varieties, another 75, which is confusing. We think it would be much better to word the next list thus:—Best 15 varieties Pears, 3 of each, and if it is thought advisable to offer a prize for a larger number, let it be definite say 30, 40 or 50 varieties.
