

The Canadian Independent is published on the FIRST OF EACH MONTH, at ONE DOLLAR PER ANNUM. New Subscribers are required to pay in advance.

The late Manager, before handing over the books to the undersigned, tried to have all subscriptions paid to date. If any have not responded to the well-meant suggestion of our good friend, let the amount be forwarded at once. We must "PAY THE PRINTER!" and the printer being paid, leaves our mind free to devise and carry out plans for the improvement of the Magazine. So you see, gentle reader, you can help the Independent, by simply settling up your debt—as all methodical people do—at the advent of the New Year.
