DIAMONDS

We sell Diamonds of more than the average fineness at less than the average price.

We are the largest diamond dealers in Canada. We have a permanent purchasing branch in Europe. We are always buying. We are offered the best and we buy what others have no opportunity of purchasing. We buy direct and import, and save a wholesaler's profit in our price to the wearer.

We can sell these to you by mail. If they do not suit, your money instantly refunded.
