Manual of Punctuation

AND SOME

TYPOGRAPHICAL MATTERS

Designed for Printers, Students, Teachers, and Writers, by

JAMES P. TAYLOR

This little book of eighty-two pages aims to make every student of it an adept in the art of punctuation, and we do not think we claim too much for it when we say that it will accomplish all it aims to.

The exercises, one or two excepted, have not been taken from any work on the subject, but from every outside source that provided the best for illustrating the subject. Many have been taken from the School Readers; and it is believed that they are sufficiently numerous and well chosen to afford all necessary assistance to aspirants for proficiency in this much neglected art.

Paper - 25 Cents

Mailed, post-paid, on receipt of price.

GRIP PRINTING & PUBLISHING CO.

Excelsior Webster Pocket Dictionary

Gives the orthography and definition of about 25,000 words, among which are many words not usually found in a dictionary of this size. It can be most conveniently referred to and fits the Pocket, being especially prepared for that purpose. The dictionary is not a reprint but has been carefully prepared by competent hands to meet the general want for a book of this kind, and for the space it occupies has no superior in the publishing world. Containing 320 pages, double column.

Size 5 x 3 1/4 inches. Bound in extra cloth.
Price, - 25 cts. Indexed, - 35 cts.
