**RESULTS OF PROHIBITION IN KANSAS.**  
Prohibition has closed every Distillery; nearly all the Breweries, and is driving every Saloon from the State.

The State has gained nearly 200,000 in population and increased about \$50,000,000 Tax-able wealth.

The People of Kansas are in favor of more BREAD and less Whiskey, more churches, school-houses, and comfortable homes and NO saloons.

The above noted results are reported after the first THIRTY ONE months of Prohibition. This is how "Kansas is being Ruined"  
— Gov. ST. JOHN.
