3—Circular Letters

A Fourth Use for Window Envelope

REGULAR CORRESPONDENCE is being more and more generally mailed under cover of the B-E WINDOW ENVELOPE. For three good reasons: So that circular letters cannot be distinguished from regular letters; to save time and money now spent in addressing ordinary envelopes; and, most important, for SAFETY. There is not a business man of any lengthy experience in Canada who has not had some deal collapse through a clerk's mixing of envelopes in the hurry of a late mail. It is so easy for the office boy to put Brown's letter in Smith's envelope. And it's so difficult to straighten the mix-up and keep the business and friendship endangered by so human an error. Moral: Use the B-E WINDOW ENVELOPE—saves trouble, time and money.

Send for samples and prices of this new Envelope. We will see you are supplied, either through regular dealer, or direct.
