THOSE WHO HAVE USED THE KLIP ARE ITS BEST ADVERTISERS

The Klip is a strong and graceful steel spring, enameled. It is put on with a pair of steel keys. It is put on or off in ten seconds. Any pamphlet can be instantly removed or inserted without disturbing the others.

The Klip binds pamphlets, papers, bills and letters. It holds sheets of writing paper, making excellent "pads." In fact, whenever you want things held together, the Klip will do it.
