THE ABOLITION OF DEATH, SLEEPING TO SEE, AND HOSEA'S ECLECTICISM,

By A. B. M.

Of the volume from which the above discourses have
been (by the Author's permission) re-printed, the
English press gives the following notices:—

Those who will not agree with the preacher's doctrinal
positions will recognize the keen activity of
thought, high spiritual aspiration, and broadly generous
social sympathy, which the discourses show.—*Con-
temporary Review.*

They are what our American friends would call
"live" sermons; the spiritual instinct of the preacher
never fails him; every incident of Scripture is made to
turn a full light upon the present practical life of men.
British Quarterly Review.

They will take rank with the productions of the very
best preachers of modern days.—*Nonconformist.*

As fine in thought and exquisite in style as are
delivered from any pulpit in England.—*English In-
dependent.*
