Montreal

PRICE 10 CENTS

The Minister of Finance

The Hon. William Stevens Fielding, who is Acting-Premier of Canada during the absence in England of Sir Wilfrid Laurier, graduated from journalism to politics. He is fifty-eight years of age and has been twenty-five years in public life. He had been twelve years premier of his native province, Nova Scotia, before being called to Ottawa, where he has shown himself to be a strong and aggressive minister.
