Modern Methods in Business

BUSINESS MEN are realizing more and more that successful results are only achieved by systematic effort. More particularly is this recognized in the matter of Filing and Record-Keeping duties.

Office Specialty Filing and Record-Keeping Systems pay dividends in the form of increased efficiency wherever they are installed. May we have the opportunity of convincing you of the value of Office Specialty Saving Systems?

WATEROUS BOILERS

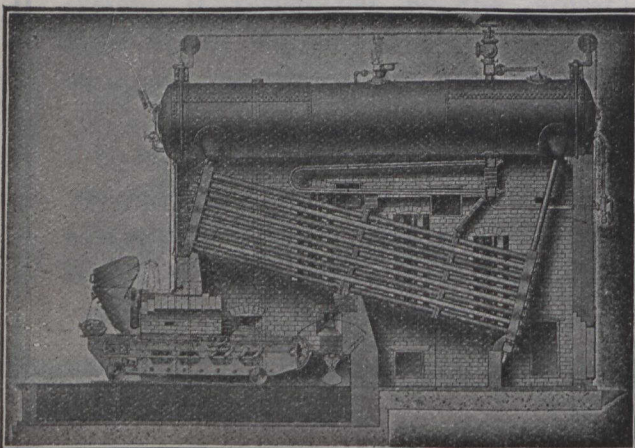

Waterous Return Tubular Boilers are unexcelled for use in Municipal Power and Pumping Plants, and for the production of steam for general heating purposes.

We build all sizes from 40" x 10' to 72" x 18', and can supply them complete for any kind of installation.

Our numerous installations in Provincial and Municipal Institutions throughout Canada vouch for the quality of our product. We can promise prompt delivery.
