## The Paper For People Who Would Really Know

Those who are reading WORLD WIDE week by week are finding themselves better informed as to the thought and doings of these momentous times than those who merely depend on the Daily press; for in WORLD WIDE is presented the well considered thought of those who concern themselves with the inner things rather than with their passing appearance. In WORLD WIDE you will find assembled just a few of the really noteworthy articles of the week selected from the most responsible British and American journals and reviews—care being taken to have different points of view represented. Many of these articles have been written or inspired by the great men of the times. Sample copies FREE; or for five weeks trial for ten cents in stamps, or fifty cents on trial to end of 1918 to new Subscribers. (Regular subscription rates \$2.00.)
