

Ferrous and Non-Ferrous Metals

- ◆ Mexico -- immediate or five-year phase-out for coal, nickel, magnesium, copper and unwrought, non-alloyed aluminum ingots.
- ◆ Canada -- already duty free for most of above goods.
- ◆ Mexico and Canada -- 10-year phase-out for most iron and steel and their products.

Forest Products

- ◆ Mexico -- immediate phase-out for Canadian export interests including chemical pulp, softwood lumber for timber frame construction, beech lumber, veneers, shakes and shingles, softwood mouldings, some newsprint, some coated and uncoated papers, and wooden prefabricated houses; five-year phase-out for railway ties, maple lumber, some other newsprint and fibreboard; five- to 10-year phase-out on most other paper products; 10-year phase-out for most other forest products; the Canadian prohibition on the export of logs remains as in the Canada-U.S. Free Trade Agreement (FTA).
- ◆ Canada -- already duty free on most items; five-year phase-out for most further manufactured wooden products (e.g. window frames).

Fish

- ◆ Mexico -- immediate elimination on most fresh and frozen fish, including trout, salmon, sole, herring, mackerel, haddock, hake, most dried and smoked fish and many shellfish including crabs; five-year phase-out for lobster, scallops, halibut and prepared fish, including fish sticks; 10-year phase-out for sardines, frozen fillets and shrimp.
- ◆ Canada -- already duty free for most items; five-year phase-out for further processed fish products.
