

Also, a tabulated statement of the result of the foregoing return, showing the name of each applicant, date of the application, the number of acres applied for by him, the location thereof, the disposition of the application, the moneys paid, and the moneys payable in respect thereof, with the dates of payment.—(Mr. Charlton.)

Return showing: 1. The number of applications for land made prior to the 25th May, 1881, and copies thereof; the names and residences of applicants to whom grants for colonization have been made up to 25th May, 1881, the number of acres and location of grants made to each; the total number of acres thus granted, the sums paid and the sums to be paid on such grants, and all correspondence on the subject of such applications. 2. The number of applications for land for colonization made under the land regulations issued by the Department of the Interior, 25th May, 1881, and copies thereof; the names and residences of applicants to whom grants for colonization have been made or whose applications have been agreed to; the number of acres and location of grant made to each, the total number of acres thus granted, the sums paid and the sums to be paid on such grants, and the number of townships in which such grants are located, together with all correspondence on the subject of such applications.—(Mr. Charlton.)

Also, a tabulated statement of the result of each of the foregoing returns, showing the name of each applicant, date of his application, the number of acres applied for by him, the location thereof, the disposition of the application, the moneys paid and the moneys payable in respect thereof, and the dates of payment.—(Mr. Charlton.)

Return showing the total number of applications for leases of pasturage lands, and the total number of acres thus applied for; the number of applications and of acres covered by such applications under each of the regulations issued from time to time respecting the public lands by the Department of the Interior; the total number of leases granted or agreed to, and the total number of acres covered by such leases; the number of leases granted or agreed to, and the total number of acres of land covered by such leases under each of the regulations issued from time to time respecting the public lands by the Department of the Interior; the name and residence of each and every applicant for a lease of pasturage land; the name and residence of each lessee of pasturage land under each of the regulations respecting the public lands issued from time to time by the Department of the Interior, together with the number of acres leased or agreed to be leased to each, and the amount of rental paid and payable by each.—(Mr. Charlton.)

Also, copies of all applications and all correspondence connected therewith up to date of return, and a tabulated statement setting forth the information asked for in the above return.—(Mr. Charlton.)

Correspondence between the Government and any of the County Court Judges of the Province of Ontario, or any other person, respecting the appointment of such Judges, or any other person as Surrogate Judges of the Maritime Court of the said Province with the salary, allowance or fees attached to such appointment; the number and name of the persons so appointed, and the date thereof, and all departmental orders or Orders in Council in relation to such appointments and salary, allowance or fees.—(Mr. Cameron, Huron.)

Returns showing the number of vessels (steam and sail) that entered and departed and reported and cleared from the harbor of refuge at Rond Eau, separately, as reported to the Government by the Harbor Master and Collector of Rond Eau Harbor, respectively.—(Mr. Stephenson.)

Copies of Reports of H. F. Perley, Esq., Chief Engineer, Department of Public Works, respecting Kingsville Harbor.—(Mr. Patterson, Essex.)

House adjourned at 4.40 p.m.

HOUSE OF COMMONS,

FRIDAY, 17th February, 1882.

The SPEAKER took the Chair at Three o'clock.

PRAYERS.

PRIVATE BILLS.

Mr. DREW moved that the time for receiving petitions for Private Bills be extended to Wednesday, the 1st of March.

Motion agreed to.

BILLS INTRODUCED.

The following Bills were introduced and read the first time:—

Bill (No. 13) to authorize and provide for the winding up of the Dominion Fire and Marine Insurance Company.—(Mr. Kilvert).

Bill (No. 14) respecting the Canada Southern Railway Company, and the Erie and Niagara Railway Company.—(Mr. Arkell).

THE ESTIMATES.

Sir LEONARD TILLEY. I will state to the House that I hope, on Tuesday next, to lay the Estimates on the Table of the House, and to make the statement on Friday.

REVENUE CUTTER ON HUDSON'S BAY.

Mr. BANNERMAN enquired, Whether it is the intention of the Government to send a revenue cutter or other vessel to Hudson's Bay next summer, for the proper collection of the revenue?

Mr. BOWELL. The matter is under the consideration of the Government.

GOVERNMENT COMMISSIONER AT PARIS.

Mr. VALLÉE enquired, Whether the Government have appointed, or intend to appoint, an agent or Commissioner to represent the commercial interests of Canada at Paris, France?

Sir LEONARD TILLEY. The Government have understood that the Government of Quebec purpose appointing a representative or delegate to reside at Paris in the interests of that Government. Should such an appointment be made, it is just possible that the Government of the Dominion might make the services of that gentleman available in the encouragement of immigration and the promotion of the commercial interests of Canada.

TELEGRAPHIC COMMUNICATION WITH SABLE ISLAND.

Mr. DALY enquired, Whether it is the intention of the Government to provide for telegraphic communication with Cape Sable Island by means of a sub-marine cable, in accordance with the prayer of a petition of the Hon. N. W. White, and others, of the county of Shelburne, Nova Scotia.

Sir HECTOR LANGEVIN. This matter is still under the consideration of the Government, but it is likely that we will be able to submit a vote to Parliament in the direction suggested.

EXTENSION OF THE PARLIAMENTARY FRANCHISE.

Mr. COSTIGAN enquired, Is it the intention of the Government, during the present Session, to so amend the general
